Brooklyn Fictions James Peacock, 2014-11-20 Vast and diverse Brooklyn is often portrayed in literature as a place of traditional community values and face to face relations distinct from anonymous capital driven Manhattan Brooklyn Fictions discovers what such representations of the New York borough can teach us about diversity and the individual the local and the global Combining analysis of popular texts such as Sister Souljah's *The Coldest Winter Ever* with more canonical novels such as Jonathan Lethem's *The Fortress of Solitude* this study draws on the work of a variety of theorists on community and globalization and uses Brooklyn as a case study for an exploration of the complex relationship between romantic ideals of community and global economic forces With cities often depicted as sites of conflict and fear this is a crucial contribution to our understanding of the contemporary urban community and the ethical issues involved in conceptualizing and portraying it in literature
