Shakespearean Tarot:

Shakespearean Tarot Michael Kucharski, 2017 William Shakespeare's work penetrates and reveals the human mind heart and soul firing the imagination so that we may easily see ourselves within his cast of characters In this extravagant deck of 78 Tarot cards with accompanying guidebook striking images and card meanings are perfectly matched with the Tarot using Jungian archetypes from Shakespeare's most famous plays All of us are Hamlet We have all at one time or another found ourselves trapped like a fly in amber by indecision and in need of guidance Discover through meditation introspection and the reading of Tarot how to learn about yourself understand self control and make the best choices by revisiting iconic stories invoked through Shakespeare's strong influences for over 400 years Includes cards and book AUTHOR Michael Kucharski's serious art education began when he enrolled in the Famous Artist correspondence course found on the back of a comic book and concluded when he graduated from the College for Creative Studies with a BFA in graphic communication and a major in illustration As an illustrator his work found its way into advertising books and magazines later he became a combination graphic designer exhibit designer for the Detroit Historical Museum His fine arts efforts began with participating in the In Dreams Awake Art of Fantasy exhibition at the Olympia and York in NYC Although he has created many Tarot based images this is his first complete Tarot deck 78 art cards The Shakespearean Tarot Dolores Ashcroft-Nowicki, Paul Hardy, 1993-04 The whole of Shakespeare's repertoire is in this book and tarot set The wealth of imagery available in Shakespeare's work makes it ideal as a basis for tarot The characters are almost created for the deck Prospero as the Magician Cleopatra as the High Priestess Romeo and Juliet as the Lovers Lear as the Hermit Hamlet as the Hanged Man Iago as the Devil and Portia for Justice In addition famous scenes are evoked the death of Caesar for the Ten of Swords **Mortimer and the Witches** Marie Carter, 2024-03-05 UNTAPPED NEW YORK THE BEST NYC BOOKS OF ALL TIME The neglected histories of 19th century NYC's maligned working class fortune tellers and the man who set out to discredit them Under the pseudonym Q K Philander Doesticks P B humor writer Mortimer Thomson went undercover to investigate and report on the fortune tellers of New York City's tenements and slums When his articles were published in book form in 1858 they catalyzed a series of arrests that both scandalized and delighted the public But Mortimer was guarding some secrets of his own and in many ways his own life paralleled the lives of the women he both visited and vilified In *Mortimer and the Witches* author Marie Carter examines the lives of these marginalized fortune tellers while also detailing Mortimer Thomson's peculiar and complicated biography Living primarily in the poor section of the Lower East Side nineteenth century fortune tellers offered their clients answers to all questions in astrology love and law matters They promised to cure ailments They spoke of loved ones from beyond the grave Yet Doesticks saw them as the worst of the worst evil doers His investigative reporting aimed to stop unsuspecting young women from seeking the corrupt soothsaying advice of these so called clairvoyants and to expose the absurd and woefully inaccurate predictions of these witches Marie Carter views these stories of working class immigrant

women with more depth than Doesticks's mocking articles would allow. In her analysis and discussion she presents them as three dimensional figures rather than the caricatures Doesticks made them out to be. What other professions at that time allowed women the kind of autonomy afforded by fortune telling? Their eager customers many of whom were newly arrived immigrants trying to navigate life in a new country weren't as naive and gullible as Doesticks made them out to be. They were often in need of guidance seeking out the advice of someone who had life experience to offer or simply enjoying the entertainment and attention Mortimer and the Witches offers new insight into the neglected histories of working class fortune tellers and the creative ways that they tried to make a living when options were limited for them. Psychic Abilities Marcia L. Pickands, 2025-09-12 Pickands helps you to develop your psychic potential with an extensive series of exercises. You'll work with symbolic patterns whether they be tarot cards, numbers, dreams, and learn how to read psychic information in a fluent manner. It was no ordinary diary as Anne, an excellent writer of poems and songs in her own right, was also the wife of the world's most famous poet and playwright William Shakespeare. In its pages she reveals the man she knew and loved and their shared life full of triumph and tragedy. Pulitzer prize nominated poet Sandra Hochman's imagining of Mrs Shakespeare is both a thoughtful take on one of the greatest mysteries in Western literature and the story of two people who would change the English language forever. *The Shakespearian Tarot* Dolores Ashcroft-Nowicki, 1993 The Shakespeare Oracle, The Shakespeare Oracle capitalizes on the great bard's prophetic wisdom in this illustrated Tarot deck and accompanying book. Complete with instructions and custom made readings, this kit brings together the best of two worlds: divination and Shakespeare. **The Routledge Handbook of Shakespeare and Memory** Andrew Hiscock, Lina Perkins Wilder, 2017-08-09 The Routledge Handbook of Shakespeare and Memory introduces this vibrant field of study to students and scholars whilst defining and extending critical debates in the area. The book begins with a series of Critical Introductions offering an overview of memory in particular areas of Shakespeare such as theatre, print, culture, visual arts, post colonial adaptation, and new media. These essays both introduce the topic but also explore specific areas such as the way in which Shakespeare's representation in the visual arts created a national and then a global poet. The entries then develop into more specific studies of the genre of Shakespeare with sections on Tragedy, History, Comedy, and Poetry which include insightful readings of specific key plays. The book ends with a state of the art review of the area charting major contributions to the debate and illuminating areas for further study. The international range of contributors explore the nature of memory in religious, political, emotional, and economic terms which are not only relevant to Shakespearean times but to the way we think and read now. Channeling Shakespeare Marianne Kimura, 2025-06-28 What Happens When an Academic is Also a Psychic? This paranormal memoir by tenured academic and psychic channel Marianne Kimura explains how Shakespeare's

consciousness contacted her over four decades using a variety of ghostly phenomena to help him reveal his real messages which were heretical in his day In particular her research shows how Shakespeare crafted allegories in his plays to express his support for Giordano Bruno the Renaissance philosopher burned alive for heresy in Rome in 1600 Channeling Shakespeare represents the sensational sudden and more strange return of Shakespeare to our world 400 years after his death An unparalleled dramatist Shakespeare announced these exact plans with those words in Hamlet in order to show us in the most audacious way possible that death is not final and that consciousness goes on Starting with a mysterious clairaudient experience in a Harvard University s Sanders Theatre after a Shakespeare lecture when she was twenty Channeling Shakespeare chronicles Marianne s strange but uplifting psychic experiences as she engaged with the occult world with love and positivity to bring the truth about Shakespeare to light *The American Shakespeare Theatre, Stratford 1955-1985* Roberta K. Cooper,1986-12
