Shakespeares Haunts Near Stratford:

Shakespeare's Haunts Near Stratford Edgar I. Fripp, 1929 *William Shakespeare: His Homes and Haunts* S. L. Bensusan, 2022-08-10 In telling the story of Shakespeare's life and work within strict limits of space an attempt has been made to keep closely to essential matters There is no period of the poet's life there is no branch of his marvellous work that has not been the subject of long and learned volumes no single play that has not been discussed at greater length than serves here to cover the chief incidents of work and life together If the Homes and Haunts do not claim the greater part of the following pages it is because nobody knows where to find them to day Stratford derives much of its patronage from unsupported traditions and the face of London has changed **Shakespeare, Harsnett, and the Devils of Denham** Frank Walsh Brownlow, 1993 Part 1 of this book provides an annotated edition of Samuel Harsnett's famous attack on the practice of exorcism which had a profound influence upon Shakespeare's conception and writing of King Lear Part 2 explores the context of Shakespeare's reading of Harsnett's book **William Shakespeare: His Homes and Haunts** Samuel Levy Bensusan, 2020-09-28 *The Shakespearean World* Jill L Levenson, Robert Ormsby, 2017-03-27 The Shakespearean World takes a global view of Shakespeare and his works especially their afterlives Constantly changing the Shakespeare central to this volume has acquired an array of meanings over the past four centuries Shakespeare signifies the historical person as well as the plays and verse attributed to him It also signifies the attitudes towards both author and works determined by their receptions Throughout the book specialists aim to situate Shakespeare's world and what the world is because of him In adopting a global perspective the volume arranges thirty six chapters in five parts Shakespeare on stage internationally since the late seventeenth century Shakespeare on film throughout the world Shakespeare in the arts beyond drama and performance Shakespeare in everyday life Shakespeare and critical practice Through its coverage The Shakespearean World offers a comprehensive transhistorical and international view of the ways this Shakespeare has not only influenced but has also been influenced by diverse cultures during 400 years of performance adaptation criticism and citation While each chapter is a freshly conceived introduction to a significant topic all of the chapters move beyond the level of survey suggesting new directions in Shakespeare studies such as ecology tourism and new media and making substantial contributions to the field This volume is an essential resource for all those studying Shakespeare from beginners to advanced specialists **Secret Shakespeare** Richard Wilson, 2024-06-04 Shakespeare's Catholic context was the most important literary discovery of the last century No biography of the Bard is now complete without chapters on the paranoia and persecution in which he was educated or the treason which engulfed his family Whether to suffer outrageous fortune or take up arms in suicidal resistance was as Hamlet says the question that fired Shakespeare's stage In Secret Shakespeare Richard Wilson asks why the dramatist remained so enigmatic about his own beliefs and so silent on the atrocities he survived Shakespeare constructed a drama not of discovery like his rivals but of darkness deferral evasion and disguise where for all

his hopes of a golden time of future toleration What s to come is always unsure Whether or not He died a papist it is because we can never pluck out the heart of his mystery that Shakespeare s plays retain their unique potential to resist This is a fascinating work which will be essential reading for all scholars of Shakespeare and Renaissance studies **Shakespeare** Park Honan,1998-10-29 Park Honan uses a wealth of fresh information to dramatically alter our perceptions of Shakespeare the actor poet and playwright The young poet s relationships his early courtship of Anne Hathaway their marriage his attitudes to women such as Jennet Davenant Marie Mountjoy and his own daughters are seen in a new light illuminating Shakespeare s needs habits passions and concerns Shakespeare A Life casts new light on the complexity and fascination of Shakespeare s life and his extraordinary development as an artist **Shakespeare** Peter Ackroyd,2010-04-21 A TIMES LITERARY SUPPLEMENT BEST BOOK OF THE YEAR Drawing on an exceptional combination of skills as literary biographer novelist and chronicler of London history Peter Ackroyd surely re creates the world that shaped Shakespeare and brings the playwright himself into unusually vivid focus With characteristic narrative panache Ackroyd immerses us in sixteenth century Stratford and the rural landscape the industry the animals even the flowers that would appear in Shakespeare s plays He takes us through Shakespeare s London neighborhood and the fertile competitive theater world where he worked as actor and writer He shows us Shakespeare as a businessman and as a constant reviser of his writing In joining these intimate details with profound intuitions about the playwright and his work Ackroyd has produced an altogether engaging masterpiece Who's Who in Shakespeare's England Alan Palmer,Veronica Palmer,1999-05 Provides more than seven hundred biographies of Shakespeare s contemporaries **Annual Bibliography of English Language and Literature** Modern Humanities Research Association,1928 Includes both books and articles
