Shakespeares Lovers:

Shakespeare's Lovers: A Novel Peter Jensen, 2011-11 *Shakespeare's Comedies of Love* Richard Paul Knowles, Karen Bamford, 2008-01-01 Shakespeare's Comedies of Love is a tribute to Alexander Leggatt a critic who has shaped the way the world understands Shakespeare and his comedies **Shakespeare's Young Lovers** Elmer Edgar Stoll, 1966

Shakespeare and the Truth of Love J. Bednarz, 2012-04-02 A comprehensive study of Shakespeare's forgotten masterpiece *The Phoenix and Turtle* Bednarz confronts the question of why one of the greatest poems in the English language is customarily ignored or misconstrued by Shakespeare biographers literary historians and critics Shakespeare on Love Joseph Pearce, 2013-01-01 Having given the evidence for William Shakespeare's Catholicism in two previous books literary biographer Joseph Pearce turns his attention in this work to the Bard's most famous play *Romeo and Juliet* Star crossed *Romeo and Juliet* are Shakespeare's most famous lovers and perhaps the most well known lovers in literary history Though the young pair has been held up as a romantic ideal the play is a tragedy ending in death What then asks Pearce is Shakespeare saying about his protagonists Are they the hapless victims of fate or are they partly to blame for their deaths Is their love the real thing or is it self indulgent passion And what about the adults in their lives Did they give the young people the example and guidance that they needed The Catholic understanding of sexual desire and its need to be ruled by reason is on display in *Romeo and Juliet* argues Pearce The play is not a paean to romance but a cautionary tale about the naivete and folly of youthful infatuation and the disastrous consequences of poor parenting The well known characters and their oft quoted lines are rich in symbolic meaning that points us in the direction of the age old wisdom of the Church Although such a reading of *Romeo and Juliet* is countercultural in an age that glorifies the heedless and headless heart of young love Pearce makes his case through a meticulous engagement with Shakespeare and his age and with the text of the play itself provided by publisher Shakespeare's Comic Rites Edward Berry, 1984-10-18 Professor Berry combines social history anthropology and literary criticism to Shakespeare's romantic comedies **Shakespeare's cinema of love** R. S. White, 2016-10-03 This engaging and stimulating book argues that Shakespeare's plays significantly influenced movie genres in the twentieth century particularly in films concerning love in the classic Hollywood period Shakespeare's green world has a close functional equivalent in tinseltown and on the silver screen as well as in hybrid genres in Bollywood cinema Meanwhile *Romeo and Juliet* continues to be an enduring source for romantic tragedy on screen The nature of generic indebtedness has not gained recognition because it is elusive and not always easy to recognise The book traces generic links between Shakespeare's comedies of love and screen genres such as romantic comedy screwball comedy and musicals as well as clarifying the use of common conventions defining the genres such as mistaken identity errors disguise and shrew taming Speculative challenging and entertaining the book will appeal to those interested in Shakespeare movies and the representation of love in narratives *Shakespeare's Treatment of Love & Marriage and Other Essays* Charles Harold

Herford,1921 **Shakespeare and the Ideal of Love** Jill Line,2006-08-28 Reveals the influence of the Renaissance scholar priest Marsilio Ficino on Shakespeare and how the Neoplatonic philosophy of love shaped the inner meaning of his work Shows how Shakespeare s works offer a path back to the divine unity of all things Explains the role of love in the Christian Platonic concept of the three worlds In Love s Labours Lost Shakespeare talks of the true Promethean fire that is lit by the doctrine he reads in women s eyes What is this doctrine and what is this true Promethean fire to which it gives birth In Shakespeare and the Ideal of Love Jill Line shows that Shakespeare shared the perennial philosophy of a long line of teachers including Hermes Trismegistus Pythagoras Plato Plotinus and especially the Florentine scholar and mystic Marsilio Ficino The answer to these questions Line claims lies in Ficino s Christian Platonic philosophy of love from which all Shakespeare s plays have their genesis Love according to Ficino is the force that inspired the creation of the worlds of the angelic mind the soul and the material and it is through love that each of these worlds expands into the next Love is also the vehicle that allows human beings to make the return journey to the source of their being where they find unity in God This is the path on which all of Shakespeare s lovers embark Jill Line explains how Shakespeare s plays represent more than poetic literary constructs They are mirrors of the progress of the soul in many conditions and situations as it returns to the divine unity of all things Shakespeare's Love's Labour [!] Lost William Shakespeare,Elsie Fogerty,1912
