Shape Shifter Stories:

Serpents and Werewolves Lari Don, 2015-09-10 A brilliant collection of folk tales from the girl whose stepmother turned her into a dragon to the werewolf's bride and the god who became a fish but was caught in his own net Stories from the Americas Asia Scandinavia and Europe make this a wonderfully inclusive anthology stunningly illustrated in papercut style

Shape Shifter Pauline Melville, 1990 A collection of short stories dealing with post colonial life in the Caribbean notably in the author's native Guyana as well as of some stories set in London Many of the characters most of them displaced people from former colonies struggling to come to terms with a new life in Britain attempt to find an identity to reconcile their past and to escape from the restlessness hinted at in the title

Still Life with Shape-shifter Sharon Shinn, 2013-09-24 National bestselling author Sharon Shinn presents a passionate heart wrenching story of secrets and the lengths to which we'll go to protect those we love For her entire life Melanie Landon has hidden the fact that her half sister Ann is a shape shifter determined to protect her from a world that simply wouldn't understand When a man shows up asking about Ann who has been missing for months Melanie fears the worst and with good reason Freelance writer Brody Westerbrook knows about the existence of shape shifters and intends to include Ann in the book he's writing While Melanie is immediately drawn to the stranger she knows better than to trust him and she denies his claim But when Ann finally reappears looking thin and sick Melanie realizes exposure is the least of their worries Protecting her sister has always been an enormous part of Melanie's life but as Ann's health rapidly deteriorates Melanie must come to grips with the fact that saving her may mean letting go

The Beast of Bray Road Linda S. Godfrey, 2003 In the early 1990s people around the small town of Elkhorn Wisconsin claimed to see strange hairy wolf headed creatures that sometimes walked upright and seemed not afraid of man The canid sensation was soon dubbed Beast of Bray Road after the location of the first reported sightings Author Linda Godfrey began investigating this story and soon found herself in the middle of a national sensation Nobody has ever been able to prove whether the beast is a flesh and blood werewolf or will o' the wisp demon dog or noble animal But the author gives the reader plenty to chew on Make up your own mind if you do so at all only after the marrow has been extracted and well digested

Shape Shifters & Their Stories: The Golem; Lilith; Werewolf; The Dybbuk; Silkie; & More Michael Berman, 2015-05-01 Long ago the trees thought they were really people Long ago the mountains thought they were really people Long ago the animals thought they were really people Someday they will say Long ago the humans thought they were really people Constance O Day Flannery Shifting Love Introduction Shape shifting is a common theme in mythology folklore and fairy tales In its broadest sense shape shifting occurs when a being usually human either 1 has the ability to change its shape into that of another person creature or other entity or 2 finds its shape involuntarily changed by someone else If the shape change is voluntary its cause may be an act of will a magic word or magic words a potion or a magic object If the change is involuntary its cause may be a curse or spell a wizard's or magician's or fairy's help a deity's will a temporal change such as a full Moon

or nightfall love or death The transformation may or may not be purposeful The desire to be different in some way so as to match some ideal promoted through advertising has become an obsession especially for vulnerable younger members of society Perhaps the pressure to conform to some unrealistic ideal is something that has always been with us but surely not to the extent that now is the case And it is this desire that helps to account for the current interest in shape shifting as it would seem to provide a means of achieving the goal to bring about change However as many of the tales in this collection show it is only by coming to terms with who we really are that peace of mind can truly be ours once again Another and perhaps even more significant reason for the fascination with shape shifting is that stories and shamanic journeys that involve such transformations let us cross the threshold between this reality and other worlds at least in imagination Through such tales and journeys we learn to appreciate that we can in fact wear many shapes and inhabit many skins and we are reminded that we are all living beings beneath the fur the feathers and the scales Having no scripture liturgy or singular deity if one s desire is to find universal truth it is easy to perceive the Pagan outlook as too diverse and individualistic to have any weight or worth Restall Orr 2012 p 96 On the other hand if you take a Bible and put it out in the wind and rain soon the paper on which the words are printed will disintegrate and the words will be gone whereas for the Pagan his or her Bible IS the wind and rain And although there may not necessarily be key texts or set teachings to guide the Pagan there are stories legends shared with other people other lands tales from other older cultures that speak to us and it is those stories that form the focus of this book
