glory and Hall of Fame personalities that make the Los Angeles Lakers one of the most iconic franchises in all of sports. Standard bearers for basketball greatness, the Los Angeles Lakers have thrilled their loyal fans since the franchise moved west in 1960. Led by Elgin Baylor and Jerry West, they raced to the top of the league and refused to slow down with superstars like Magic Johnson, Kareem Abdul Jabbar, Kobe Bryant, Shaquille O'Neal, and LeBron James carrying the torch on the way to 17 NBA championships. Sports Illustrated now celebrates the Lakers with an extraordinary collection of classic writing and photographs from the pages of SI. This commemorative book also spotlights the players' championships and stats that have made the Lakers the greatest show on earth. Featuring a foreword by Howard Beck and stories by Frank DeFord, Jack McCallum, Chris Ballard, and more, this is an essential volume for Lakers fans.

Sports Betting For Dummies Swain Scheps, 2020-06-30. The sports gambling book you can bet on. Sports betting combines America's national pastime, sports, with its national passion, gambling. In the U.S., more than a third of the population bets on at least one sporting event every year. You'll find all the need-to-know information on types of bets, statistics, handicapping, fundamentals, and more. Betting on football, basketball, baseball, and other sports. Betting on special events such as the Superbowl or the Olympics. Money management. Betting on the internet. With handy tips, tricks, and tools, *Sports Betting For Dummies* shows you how to place the right bet at the right time to get the right payoff.

Sport, Power, and Society Robert E. Washington, David Karen, 2018-04-19. This comprehensive collection examines the culture of sport and its relationship with various social institutions. The editors first provide a broad overview of the field and describe the ways in which the concept of sport as a meritocratic contest is undermined by the powerful social structures within which it is embedded. Sections focus on political economy, violence, the media, education, politics, fans, and community and the body. Primary readings from noted scholars in each section address current issues such as the presence of big time sports in educational institutions, the effects of corporate media, race and class relations, professional athletes' ties to politics, and how sports alter perceptions and practices regarding beauty and health. In addition, entertaining and provocative essays from journalists supplement academic readings and spotlight key issues. Section introductions from the editors connect the readings to a theoretical framework that explores the perspectives of new institutionalism, cultural hegemony, social capital, and symbolic interaction and cultural construction. Providing a cohesive foundation for a wide range of readings, *Sport, Power, and Society* is a must-have resource for understanding the current issues and debates surrounding the interactions of sport and society.
