intentionally aborted every year in North America Voiceless and helpless their blood cries out Will those of us who serve as pastors and preachers respond from our pulpits Silence is not an option We cannot keep quiet while thousands of our neighbors made in the image of God are being led to the slaughter every day But neither should we condemn and vilify those who are complicit in their deaths A truly pro life pulpit ministry opposes the injustice of abortion with truth courage and understanding Tears mingled with hope overflowing with grace After all the Christian faith is rooted in the good news of a Messiah who was once an embryo Nine months before he was born Jesus was conceived by the Holy Spirit and for the next forty weeks he lived and grew in the womb of an unwed teenaged mother He is at the heart of our preaching and this book will show you how to confront the sin of abortion by proclaiming the God who became abortable in order to save sinners

Missing Us Ryan LaMothe, 2013-05-09 In Missing Us Re Visioning Psychoanalysis from the Perspective of Community Ryan LaMothe questions the ways in which psychoanalytic and psychodynamic theorists and clinicians have historically relied principally on a two person psychology to understand psychosocial development and practice While this has many

benefits two person perspectives often overlook a central need and struggle in human life namely community The concept of community and its cognate communion expand and deepen psychoanalytic theories of development as well as reframe in part psychoanalytic concepts processes and aims In Missing Us LaMothe relying on the Scottish philosopher John Macmurray carefully defines the concept of community being sure to differentiate it from the notions of sociality and intersubjectivity Using this definition and the concept of person LaMothe reframes potential space transference and motivation Given this unique perspective LaMothe addresses the strengths limitations and challenges of psychoanalysis as a therapeutic ritual
