SHARING THE DARKNESS Marilyn Tracy,2014-11-15 Devil s bargain Teo Sandoval s unearthly power caused storms to rage and lightning to tear across the sky Tall dark and brooding he was called the devil s spawn by some His laughter held no humor and conjured images of smoke and fire He wanted nothing to do with society Until one night Melanie Daniels swept into his life pleading for his help Melanie was desperate Scared Fleeing from unscrupulous scientists who wanted to control her son s telekinetic abilities She would do anything to save her baby even if it meant seeking out the compelling man whose caresses unleashed a dark yearning within her Even if it meant becoming the devil s woman

The Dark Social Toija Cinque,Alexia Maddox,Robert W. Gehl,2023-11-07 This book explores how people interact online through anonymous communication in encrypted hidden or otherwise obscured online spaces Beyond the Dark Web itself this book examines how the concept of dark social broadens the possibilities for examining notions of darkness and sociality in the age of digitality and datafied life The authors take into account technical moral ethical and pragmatic responses to ourselves and communities seeking to belong in of the dark Scholarship on the Darknet and Dark Social Spaces tends to focus on the uses of encryption and other

privacy enhancing technologies to engender resistance acts Such understandings of the dark social are naturally in tension with social and political theories which argue that for politics and acts to matter they must appear in the public light They are also in tension with popular narratives of the dark recesses of the web which are disparaged by structural powers who seek to keep their subjects knowable and locatable on the clear web The binary of dark versus light is challenged in this book The authors provocation is that practices of dark resistance motility and power are enacted by emerging data cultures This book draws together scholarship activism and creativity to push past conceptual binary positions and create new approaches to darknet and dark social studies The Dark Social Online Practices of Resistance Motility and Power will be a key resource for academics researchers and advanced students of media studies cultural studies communication studies research methods and sociology This book was originally published as a special issue of Continuum Journal of Media Cultural Studies
