Sharon's Plight Joan Hephzibah,2023-12-01 At last Sharon finished her MBA It didn't take long for her to board a flight to Houston for a fresh career A coffee incident on her way to the check in led to an encounter with a handsome chivalrous gentleman After apologising for her mishap her lingering desire for a second encounter forged on An equally attractive man showed up at his mirror image's office only three weeks before the wedding They looked like brothers separated at birth Sharon recognised him instantly and he did the same At once they both realised she was getting married to his long lost twin The twins faced the challenges and history of their divided past at last and moved on But will the story end here

Manhattan Cult Story Spencer Schneider,2022-07-05 We were invisible We had to be We took an oath of absolute secrecy We never even told our immediate families who we were We went about our lives in New York City Just like you We were your accountants money managers lawyers executive recruiters doctors We owned your child's private school and sold you your brownstone But you'd never guess our secret lives how we lived in a kind of silent terror and fervor There were hundreds of us Right under the noses of neighbors clients spouses children and friends a secret society simply called School a cult of snared Manhattan professionals has been led by the charismatic sociopathic and dangerous leader Sharon Gans for decades Spencer Schneider was recruited in the eighties and he stayed for more than twenty three years as his life disintegrated his self esteem eroded and he lined the pockets of Gans and her cult Cult members met twice weekly though they never acknowledged one another outside of meetings or gatherings In the name of inner development they endured the horrors of mental sexual and physical abuse forced labor arranged marriages swindled inheritances and savings and systematic terrorizing Some of them broke the law All for Gans During those years Schneider writes my world was School

That's what it's like when you're in a cult even one that preys on and caters to New York's educated elite This is my story of how I got entangled in School and how I got out At its core Manhattan Cult Story is a cautionary tale of how hundreds of well educated savvy and prosperous New Yorkers became fervent followers of a brilliant but demented cult leader who posed as a teacher of ancient knowledge It's about double lives the power of group psychology and how easy it is to be radicalized all too relevant in today's atmosphere of conspiracy and ideologue worship
