Southern Excursions George Garrett, James Conrad McKinley, 2003-03-01 Few if any are better endowed than George Garrett to comment on the general and the particular the long and the short of southern letters in our time Garrett a prolific and internationally renowned author of fiction poetry drama and biography as well as a teacher editor critic and frequent jurist for literary competitions has been immersed in the writers and literature of his native region for almost a half century *Southern Excursions* contains more than fifty of the best essays reviews and other short pieces of his career For the connoisseur of good writing this book is a depository a treasure a veritable time capsule of southern literary and American culture Without sacrificing reverence for modern masters such as Faulkner O'Connor and Welty Garrett has consistently embraced worthy new artists through the years deftly and judiciously drawing the line between critical acclaim and popular success Payton Davis Shelby Foote Walker Percy William HoVman Madison Jones Reynolds Price Robert Morgan R H W Dillard Wendell Berry Doris Betts William Goyen Mary Lee Settle Randall Kenan David Huddle Allan Gurganus Dorothy Allison these are a few of the writers Garrett has championed If some names sound less familiar Garrett in these pages will inspire readers to swift investigation The author's charm wit and anecdotal style make reading *Southern Excursions* a delight and yet there's no mistaking his erudition Wise like a prophet with a talent scout's enthusiasm Garrett is not afraid to tell unwelcome truths covering topics that include southern publishing houses and literary quarterlies the alliance between writers and academia the state of criticism and theory and most eloquently the persistence of place memory and the Civil War as themes in southern letters *Southern Excursions* is a book for the ages stowing as it does the sage views of one as learned respected and modest in his time as George Garrett My strong suggestion to readers he states is to plunge in and fare forward Experience the story before turning to or trusting the opinions and judgments of others myself included

Vale of Humility George Hovis, 2007 This is an inviting look at the influence of the yeoman's small farm on six modern southern writers In a deft analysis of works by Doris Betts Reynolds Price Fred Chappell Lee Smith Clyde Edgerton and Randall Kenan *Vale of Humility* explores the lives of the plain folk white and black who populate the worlds of contemporary North Carolina fiction Hovis explains that a wealthy planter elite was significantly less prominent in North Carolina than in neighboring regions and as such the state's plain folk did not develop a class identity based as deeply in relation to a superior

planter class Instead the identification of the yeoman s small farm rather than the plantation as necessary to the ideal life has been a distinguishing feature of the state s literature In this first full length study of North Carolina s contemporary fiction Hovis examines the work of six representative writers from the state s three geographic regions Lee Smith and Fred Chappell from the mountains Doris Betts and Clyde Edgerton from the Piedmont and Reynolds Price and Randall Kenan from the coastal plain The work of these six writers is explored within the broader southern literary tradition with attention to how they have revised such modes as pastoral family saga and southwestern humor in order to portray their own regional experiences Although these writers celebrate the egalitarianism at the heart of the yeoman ideal they also expose the forms of racism sexism and classism that have also marked the state s history **Miss Julia Throws a Wedding** Ann B.
