Shattered Blue Line:

The Shattered Blue Line Patrick A. Davis, 2002 **Deception Plan** Patrick A. Davis, 2006-12-29 WHEN A U 2 SPY PLANE GOES DOWN IN A FIERY HEAP THE PILOT S DEATH IS A TRAGEDY BUT IT S NO ACCIDENT U S Colonel Ed Coffin is sent to South Korea the land of his birth to lead the most important and grim investigation of his career a secret U 2 spy plane has crashed under highly suspicious circumstances A former U 2 squadron commander Coffin is teamed up with his former lover the irrepressible OSI investigator Marva Mother Hubbard and together they learn that the plane s pilot was specifically targeted for death but why Navigating a geopolitical web strewn with murder ambition and betrayal Coffin is soon embroiled in a desperate race for survival But Coffin is also on another more personal mission and one way or the other it may be his last **Salishan** Michael Hollister, 2007-12 The stories compiled in this book are about the veterans of the SECOND INFANTRY DIVISION of the Army Division members have served in WWI WWII and Korea and they are still serving in South Korea Iraq and Fort Lewis today These are true stories written by the veterans of the Korean Conflict and passed on to me to be included in this book The book is dedicated to the brave men who fought to preserve our freedoms at a cost that many of us can only imagine Exxon Valdez Oil Spill Restoration Project Final Report Linda Finn Yarborough, 1997

The Commander Patrick A. Davis, 2010-06-15 After being unfairly denied promotion by a vindictive general Air Force investigator Major Burton Webber resigned his commission in disgust While working in his wife s shop outside South Korea s Osan Air Base he s asked for help by an old friend from the service A local Amerasian bar beauty has been savagely murdered in a lavish apartment and the powers that be want the case solved quickly and quietly But when his investigation points him toward the upper echelons of both the Korean and American governments he realizes that he s being used as a pawn in a twisted international conspiracy of money power and murder a conspiracy in which Burton Webber has just outlived his usefulness **Nova** Samuel R. Delany, 2002-06-11 Given that the suns of Draco stretch almost sixteen light years from end to end it stands to reason that the cost of transportation is the most important factor of the 32nd century And since Illyrion is the element most needed for space travel Lorq von Ray is plenty willing to fly through the core of a recently imploded sun in order to obtain seven tons of it The potential for profit is so great that Lorq has little difficulty cobbling together an alluring crew that includes a gypsy musician and a moon obsessed scholar interested in the ancient art of writing a novel What the crew doesn t know though is that Lorq s quest is actually fueled by a private revenge so consuming that he ll stop at nothing to achieve it In the grandest manner of speculative fiction Nova is a wise and witty classic that casts a fascinating new light on some of humanity s oldest truths and enduring myths **Lee's Tigers** Terry L. Jones, 2002-02 Sometimes called the wharf rats from New Orleans and the lowest scrapings of the Mississippi Lee s Tigers were the approximately twelve thousand Louisiana infantrymen who served in the Confederate Army of Northern Virginia from the time of the campaign at First Manassas to the final days of the war at Appomattox Terry L Jones offers a colorful highly

readable account of this notorious group of soldiers renowned not only for their drunkenness and disorderly behavior in camp but for their bravery in battle It was this infantry that held back the initial Federal onslaught at First Manassas made possible General Stonewall Jackson's famed Valley Campaign contained the Union breakthrough at Spotsylvania's Bloody Angle and led Lee's last offensive actions at Fort Stedman and Appomattox Despite all their vices Lee's Tigers emerged from the Civil War with one of the most respected military records of any group of southern soldiers According to Jones the unsavory reputation of the Tigers was well earned for Louisiana probably had a higher percentage of criminals drunkards and deserters in its commands than any other Confederate state The author spices his narrative with well chosen anecdotes among them an account of one of the stormiest train rides in military history While on their way to Virginia the enlisted men of Coppens Battalion uncoupled their officers car from the rest of the train and proceeded to partake of their favorite beverages Upon arriving in Montgomery the battalion embarked upon a drunken spree of harassment vandalism and robbery Meanwhile having commandeered another locomotive the officers arrived and sprang from their train with drawn revolvers to put a stop to the disorder The charge of the Light Brigade one witness recalled was surpassed by these irate Creoles Lee's Tigers is the first study to utilize letters diaries and muster rolls to provide a detailed account of the origins enrollments casualties and desertion rates of these soldiers Jones supplies the first major work to focus solely on Louisiana's infantry in Lee's army throughout the course of the war Civil War buffs and scholars alike will find Lee's Tigers a valuable addition to their libraries

The Die-hards in the Great War: 1916-1919 Everard Wyrall, 1926 **George B. McClellan** H. J.

Eckenrode, Bryan Conrad, 2019-01-13 THIS IS MORE THAN THE STORY OF Little Mac It is the story also of that dark center of intrigue the nation's capital in 1862 of Washington shaking in its shoes for fear of an invasion by gaunt hairy beings riding into Washington like Centaurs and perhaps setting fire to the Capitol a Washington dominated by politicians and partisans where party strife and bitterness were so strong that some members of the government itself preferred Union defeat to a victory which might make a Democrat McClellan a national hero and a presidential possibility a Washington in which even the President and his Cabinet showed a childish impatience because McClellan did not remove the threat to the capital overnight in spite of a liquid terrain and the greatest military combination in modern history Lee and Jackson a Washington rotten with military gossip and spy talk in back alleys THIS BOOK ORIGINATED in studies made by the historians of the Conservation Commission in the Richmond battlefield area which is comprised in the Richmond Battlefield Park a charge of the commission These battlefields are the best preserved and least studied because long inaccessible in the country A detailed examination of the terrain convinced the historians both of them Southerners that McClellan was a great general and that he has been underestimated by historians Their opinion was confirmed by a study of the records They came to the conclusion that it was McClellan who prevented the defeat of the North in 1861-62 when the Confederacy was relatively stronger than it was at a later time Believing that politics should not be permitted to influence military judgments they have

written this book partly for the purpose of doing justice to a great man who has suffered at the hands of history It is based on the ground itself and the original sources and is believed to be a contribution to American and Virginia history Foreword
