She Who Prays A Womans Interfaith Prayer:

She Who Prays Patricia Harris-Watkins, Jane Richardson Jensen, 2004-12 A unique prayer book that draws on feminine images of God to help women tap into their own rich and unique spirituality

She Who Prays Patricia Harris-Watkins, Jane Richardson Jensen, 2005-01-01 A Prayer book designed to be used by individual women as well as by those who are leading group prayer services For nearly two millennia Christian women have learned to pray in the language of other people's souls From worshipping God as father to envisioning a holy life as a military campaign they've been taught to approach the Divine with the hearts and minds of men *She Who Prays A Woman's Interfaith Prayer Book* offers women a new way to pray It draws on feminine images of God as well as the language and experience of women to help women tap into their own rich and unique spirituality With material from new translations of ancient Christian hymns and prayers as well as original prayers in the Christian and other faith traditions *She Who Prays* will help women speak to God in their own voices Arranged in roughly the same format as the Book of Common Prayer *She Who Prays* contains a seven day cycle of daily prayer services prayers for special occasions and a woman oriented liturgical calendar that honors the lives of women of all faiths The book also contains four rituals marking such themes as healing reconciliation and new beginnings and a prayer to be used while walking a labyrinth An appendix provides information on world religions and instructions for group services

Bead One, Pray Too Kimberly Winston, 2008 In stories and pictures this book shows how people of all faith traditions use prayer beads as a spiritual tool and a means of expressing their creativity Every major world religion has a tradition of praying with beads and all are explored here including the history and use of beads and specific prayers Describes in detail and with diagrams how to make sets of prayer beads for personal use

Loyal Sisters Doreen W. McCalla, 2024-08-30 Although *Loyal Sisters* is about *Loyal Sisters* it is not only for them From ethnographic exploration into mainly two churches Messa Pentecostal and High Parish the religiosity and faith in the Triune God through the Holy Spirit pneumatology of *Loyal Sisters* is realized They are faithful and avid ecclesiastical worshipers amidst a tide of dwindling church attendance We can reflect on their faith lifestyle and ontological passion for God which propels them into action in the British church We discover their values and beliefs and how they transcend and redeem adversity and or

immigration patriarchy and racism come what may and seek for womanist cultural and religious change in the church through the Spirit Furthermore this book provides an insight into my autobiography womanist testimonies as a British Black female practicing ecumenical Christian who is an ally with Loyal Sisters You do not have to be a Loyal Sister or identify as female of color to read this book There is much we can learn from Loyal Sisters and about the British church which can enrich our understanding epistemology and or spirituality as faith believers or persons of no religious faith whether we agree with all some or none of their womanist spirituality Honoring Motherhood Lynn L. Caruso, 2012-03 Connect with the birth growth change joy love and inner strength of mothering Take a spiritual voyage through blessings prayers anecdotes and meditations about the sacred undertaking that is motherhood These words of hope and healing pain and promise are for all mothers traditional single adoptive foster step and bereaved and are drawn from many faith traditions including Christian Jewish Buddhist Hindu Muslim and Native American Special multifaith ceremonies offer ways to honor many aspects of motherhood such as becoming a new mother either through birth or adoption welcoming children into the larger community and acknowledging the experience of weaning a child Insightful and wise the expressions in this soulful collection illustrate the paradox of motherhood and will speak to your heart as you see motherhood in a whole new and holy way Contributions stem from both ancient and contemporary sources and many contributions were written specifically for this book
