Memoirs of a Courtesan in Nineteenth-century Paris comtesse Căleste Vănard de Chabrillan, 2001-01-01 When C leste Mogador s memoirs were first published in 1854 and again in 1858 they were immediately seized and condemned as immoral and unsuitable for public consumption For a reader in our more forgiving times this extraordinary document offers not only a portrait of the early life of an intelligent courageous and infinitely intriguing Frenchwoman but also an exceedingly rare inside look at the world of the courtesans and prostitutes of nineteenth century France Writing to conciliate judges and creditors Mogador born C leste Venard in 1824 explains how with tenacity wit and audacity she managed to escape a difficult childhood and subsequent life of prostitution to become successively a darling of the dance halls a circus rider and an actress all the while attracting wealthy young men who vied for her favor Although her account gives readers a peek into the rakish demimonde made famous by Verdi s opera La Traviata its greatest value lies in its candid picture of a spunky self educated woman who doggedly transformed herself into an esteemed and prolific novelist and playwright who fell in love with a count and married him and who made her name synonymous with the bohemian life of the 1840s and 1850s in Paris
