Shelley A Critical Reading

Earl R. Wasserman

Shelley A Critical Reading:

Shelley Earl R. Wasserman, 1971 Examines the poet's intellectual development and its influence on his major works providing insights into his metaphysical philosophy **Shelley a Critical Reading** Earl R.. Wasserman, 1971 **Shelley** Earl Reeves Wasserman, 1977 **Shelley's Prometheus Unbound** Earl Reeves Wasserman, 1965 **Shelley's Prometheus Bound: A Critical Reading** Earl R. Wasserman, 1967 **The Constitution of Shelley's Poetry** Edward T. Duffy, 2011-07 The Constitution of Shelley's Poetry is a close philosophical reading of *Prometheus Unbound* and other Shelley works from the perspective of the argument or drama of language played out in its pages The book urges and practises close reading but in the thought of Stanley Cavell it finds and develops philosophical grounds for this ostensibly old fashioned approach and it implicitly proposes an understanding of language very different from those currently assumed in literary studies *P.B. Shelley's Philosophy of Love* Sarita Singh, 1988 **Shelley's Visual Imagination** Nancy Moore Goslee, 2011-06-23 Shelley's drafts and notebooks which have recently been published for the first time are very revealing about the creative processes behind his poems and show through illustrations and doodles an unexpectedly vivid visual imagination which contributed greatly to the effect of his poetry Shelley's Visual Imagination analyzes both verbal script and visual sketches in his manuscripts to interpret the lively personifications of concepts such as Liberty Anarchy or Life in his completed poems Challenging the persistent assumption that Shelley's poetry in particular and Romantic poetry more generally reject the visual for expressive voice or music this first full length study of the drafts and notebooks combines criticism with a focus upon bibliographic codes and iconic pages The product of years of close examination of these remarkable texts this much anticipated book will be of great value for all students of Shelley and all those interested in the Romantic process of creation *Shelley's Goddess* Barbara Charlesworth Gelpi, 1992-10-29 The subject of Gelpi's new book is the importance of the mother infant relationship in Percy Bysshe Shelley's poetry and life However her book also uses Shelley as a touchstone by which to examine the rich historical and theoretical issues relevant to motherhood in the Romantic period Gelpi offers a detailed account of the historical rise in attention paid to mothering the changing cultural attitudes towards the role of the mother and the resulting effect on the nature of family life She further discusses the psychoanalytic Marxist and developmental approaches to the mother infant relationship particularly to the connection each makes between that relationship and the acquisition of language By combining psychoanalytic poststructuralist and feminist theory with extensive biographical material on Shelley and information on the position of mothers in England after 1790 Gelpi offers an important reassessment of Shelley's avowed feminism and the failure of his utopian vision **Poetry of the Romantic Period** J. R. de J. Jackson, 2016-03-31 First published in 1980 This title provides a critical and historical account of poetry written between 1780 and 1835 The author has been especially concerned to place the great poems and poets of the age in the context of the conventions and traditions in which they wrote offering new perspectives on familiar works Poems still famous are examined

often in relation to works of a similar kind fashionable at the time but now neglected and these unconventional groupings throw fresh light on Romantic poetry as a whole An appendix is included designed to be read as a supplement to the main text serving both as a chronology and as a brief guide to works that do not fall within the scope of the main argument This title will be of interest to students of literature

Uncover the mysteries within Crafted by is enigmatic creation, **Shelley A Critical Reading** . This downloadable ebook, shrouded in suspense, is available in a PDF format (*). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
