Force Majeure Bruce Wagner,2024-11-12 *Force Majeure* was called a smashing debut novel by the Kirkus Reviews upon its original publication in 1991 A sardonic and absurdly dark yet hilarious take on the business as usual of Hollywood s twisted class system that proved Bruce Wagner was not just an author but a cultural anthropologist The perpetually up and coming Hollywood screenwriter Bud Wiggins drifts aimlessly in and out of the lives of others and from one script idea to another Moonlighting as a limo driver to pay his bills he finds himself immersed in a world of vanity and degradation Wagner infuses his novel with the familiar archetypical characters of Hollywood a nihilistic producer an aging film star an obnoxious mogul and exposes the madness that drives them all **William Holden** Michelangelo Capua,2016-03-22 William Holden was a Hollywood star whose career spanned four decades more than 70 films and three Academy Award nominations Golden Holden won an Oscar for his role in *Stalag 17* and after films like *Sunset Blvd* he became one of Hollywood s most powerful stars in the late 1950s His personal life included international adventures and romances with such stars as Audrey Hepburn and Grace Kelly yet he suffered from alcoholism and clinical depression This biography covers his entire life and career from boyhood through his greatest successes short decline re emergence in *The Wild Bunch* and his legacy of support for African wildlife **Marilyn** Lois Banner,2012-08-02 As one of the founders of the field of women s history Lois Banner reveals Marilyn Monroe in the way that only a top notch historian and biographer could Banner appreciates the complexities of Monroe s personal life in the context of her achievements as an actor singer dancer comedian model and courtesan *An Empire of Their Own* Neal Gabler,2010-11-17 A provocative original and richly entertaining group biography of the Jewish immigrants who were the moving forces behind the creation of America s motion picture industry The names Harry Cohn William Fox Carl Laemmle Louis B Mayer Jack and Harry Warner and Adolph Zucker are giants in the history of contemporary Hollywood outsiders who dared to invent their own vision of the American Dream

Even to this day the American values defined largely by the movies of these migrants endure in American cinema and culture. Who these men were, how they came to dominate Hollywood and what they gained and lost in the process is the exhilarating story of *An Empire of Their Own*. **Frank** James Kaplan, 2011-11-01 Frank Sinatra was the best known entertainer of the twentieth century, infinitely charismatic, lionized and notorious in equal measure. But despite his mammoth fame, Sinatra the man has remained an enigma. Now James Kaplan brings deeper insight than ever before to the complex psyche and turbulent life behind that incomparable voice, from Sinatra's humble beginning in Hoboken to his fall from grace and Oscar-winning return in *From Here to Eternity*. Here at last is the biographer who makes the reader feel what it was really like to be Frank Sinatra: as man, as musician, as tortured genius.
