Medieval Heritage Of Mexico And New Spain

Ronald J. Morgan

Medieval Heritage Of Mexico And New Spain:

The Medieval Heritage of Mexico Luis Weckmann, 1992 This book examines the medieval legacy that influences life in Spanish speaking North America to the present day Focusing on the period from 1517 the expedition of Hernandez de Cordoba to the middle of the seventeenth century Weckmann describes how explorers administrators judges and clergy introduced to the New World a culture that was essentially medieval That the transplanted culture differentiated itself from that of Spain is due to the resistance of the indigenous cultures of Mexico

Aztec Goddesses and Christian Madonnas Joseph Kroger, Patrizia Granziera, 2020-04-28 The face of the divine feminine can be found everywhere in Mexico One of the most striking features of Mexican religious life is the prevalence of images of the Virgin Mother of God This is partly because the divine feminine played such a prominent role in pre Hispanic Mexican religion Goddess images were central to the devotional life of the Aztecs especially peasants and those living in villages outside the central city of Tenochtitlan present day Mexico City In these rural communities fertility and fecundity more than war rituals and sacrificial tribute were the main focus of cultic activity Both Aztec goddesses and the Christian Madonnas who replaced them were associated and sometimes identified with nature and the environment the earth water trees and other sources of creativity and vitality This book uncovers the myths and images of 22 Aztec Goddesses and 28 Christian Madonnas of Mexico Their rich and symbolic meaning is revealed by placing them in the context of the religious worldviews in which they appear and by situating them within the devotional life of the faithful for whom they function as powerful mediators of divine grace and terror

Mexican Literature as World Literature Ignacio M. Sánchez Prado, 2021-09-09 Honorable Mention from the 2022 International Latino Book Awards for Best Nonfiction Multi Author Chapter 15 by Carolyn Fornoff is Winner of the 2022 Best Article in the Humanities Award Latin American Studies Association Mexico Mexican Literature as World Literature is a landmark collection that for the first time studies the major interventions of Mexican literature of all genres in world literary circuits from the 16th century forward This collection features a range of essays in dialogue with major theorists and critics of the concept of world literature Authors show how the arrival of Spanish conquerors and priests the work of enlightenment naturalists the rise of Mexican academies the culture of the Mexican Revolution and Mexican neoliberalism have played major roles in the formation of world literary structures The book features major scholars in Mexican literary studies engaging in the ways in which modernism counterculture and extinction have been essential to Mexico's world literary pursuit as well as studies of the work of some of Mexico's most important authors Sor Juana Carlos Fuentes Octavio Paz and Juan Rulfo among others These essays expand and enrich the understanding of Mexican literature as world literature showing the many significant ways in which Mexico has been a center for world literary circuits

The Forging of the Cosmic Race Colin M. MacLachlan, Jaime E. Rodriguez O., 2023-09-01 The Forging of the Cosmic Race challenges the widely held notion that Mexico's colonial period is the source of many of that country's ills The authors contend that New Spain was

neither feudal nor pre capitalists as some Neo Marxist authors have argued Instead they advance two central themes that only in New Spain did a true mestizo society emerge integrating Indians Europeans Africans and Asians into a unique cultural mix and that colonial Mexico forged a complex balanced and integrated economy that transformed the area into the most important and dynamic part of the Spanish empire The revisionist view is based on a careful examination of all the recent research done on colonial Mexican history The study begins with a discussion of the area s rich pre Columbian heritage It traces the merging of two great cultural traditions the Meso american and the European which occurred as a consequence of the Spanish conquest The authors analyze the evolution of a new mestizo society through an examination of the colony s institutions economy and social organization The role of women and of the family receive particular attention because they were critical to the development of colonial Mexico The work concludes with an analysis of the 18th century reforms and the process of independence which ended the history of the most successful colony in the Western hemisphere The role of silver mining emerges as a major factor of Mexico s great socio economic achievement The rich silver mines served as an engine of economic growth that stimulated agricultural expansion pastoral activities commerce and manufacturing The destruction of the silver mines during the wars of Independence was perhaps the most important factor in Mexico s prolonged 19th century economic decline Without the great wealth from silver mining economic recovery proved extremely difficult in the post independence period These reverses at the end of the colonial epoch are important in understanding why Mexicans came to view the era as a burden to be overcome rather than as a formative period upon which to build a new nation The Forging of the Cosmic Race challenges the widely held notion that Mexico s colonial period is the source of many of that country s ills The authors contend that New Spain was neither feudal nor pre capitalists as some Neo Marxist authors have argue

Sites of Memory in Spain and Latin America Aída Díaz de León, Marina Llorente, Marcella Salvi, 2015-09-03 Sites of Memory in Spain and Latin America is a collection of essays that explores historical memory at the intersection of political cultural social and economic forces in the contexts of Spain and Latin America The essays here focus on a variety of forms of memory from the most concrete to the performative that resist forgetting and unite individuals against hegemonic memory The volume comprises four thematic sections that focus on Chile Spain Argentina Venezuela Mexico Peru and the Dominican Republic Keeping in line with the concept informing this collection that the past returns politically to haunt the present the four sections move from the contemporary context to the colonial and pre Columbian eras in Latin America For all its diversity the researchers interdisciplinary methodology displayed in this collection brings to light processes that would otherwise have remained illegible under a more narrow interpretative approach to historical memory This volume focuses on the processes of remembering in geographies that have been transformed by violence and conflict in Spain and Latin America In the cases investigated witnessing trauma and testimony speak to the urgency of truth and justice historical memory therefore is ultimately a political act

Religion and Conflict in Medieval and Early Modern Worlds

Natasha Hodgson, Amy Fuller, John McCallum, Nicholas Morton, 2020-12-27 This volume seeks to increase understanding of the origins ideology implementation impact and historiography of religion and conflict in the medieval and early modern periods The chapters examine ideas about religion and conflict in the context of text and identity church and state civic environments marriage the parish heresy gender dialogues war and finance and Holy War The volume covers a wide chronological period and the contributors investigate relationships between religion and conflict from the seventh to eighteenth centuries ranging from Byzantium to post conquest Mexico Religious expressions of conflict at a localised level are explored including the use of language in legal and clerical contexts to influence social behaviours and the use of religion to legitimise the spiritual value of violence rationalising the enforcement of social rules The collection also examines spatial expressions of religious conflict both within urban environments and through travel and pilgrimage With both written and visual sources being explored this volume is the ideal resource for upper level undergraduates postgraduates and researchers of religion and military political social legal cultural or intellectual conflict in medieval and early modern worlds

Toward a Global Middle Ages Bryan C. Keene, 2019-09-03 This important and overdue book examines illuminated manuscripts and other book arts of the Global Middle Ages Illuminated manuscripts and illustrated or decorated books like today s museums preserve a rich array of information about how premodern peoples conceived of and perceived the world its many cultures and everyone s place in it Often a Eurocentric field of study manuscripts are prisms through which we can glimpse the interconnected global history of humanity Toward a Global Middle Ages is the first publication to examine decorated books produced across the globe during the period traditionally known as medieval Through essays and case studies the volume s multidisciplinary contributors expand the historiography chronology and geography of manuscript studies to embrace a diversity of objects individuals narratives and materials from Africa Asia Australasia and the Americas an approach that both engages with and contributes to the emerging field of scholarly inquiry known as the Global Middle Ages Featuring more than 160 color illustrations this wide ranging and provocative collection is intended for all who are interested in engaging in a dialogue about how books and other textual objects contributed to world making strategies from about 400 to 1600

The Oxford Handbook of Latin American History Jose C. Moya, 2011 This Oxford Handbook comprehensively examines the field of Latin American history

Spanish American Saints and the Rhetoric of Identity, 1600-1810 Ronald J. Morgan, 2022-08-30 Spanish American civilization developed over several generations as Iberian born settlers and their New World descendants adapted Old World institutions beliefs and literary forms to diverse American social contexts Like their European forebears criollos descendants of Spanish immigrants who called the New World home preserved the memory of persons of extraordinary Roman Catholic piety in a centuries old literary form known as the saint s Life These criollo religious biographies reflect not only traditional Roman Catholic values but also such New World concerns as immigration racial mixing and English piracy Ronald Morgan examines the collective function of the saint s Life from 1600

to the end of the colonial period arguing that this literary form served not only to prove the protagonist's sanctity and move the faithful to veneration but also to reinforce sentiments of group pride and solidarity. When criollos praised americano saints he explains they also called attention to their own virtues and achievements. Morgan analyzes the printed hagiographies of five New World holy persons: Blessed Sebastián de Aparicio (Mexico), St. Rosa de Lima (Peru), St. Mariana de Jesús (Ecuador), Catarina de San Juan (Mexico), and St. Felipe de Jesús (Mexico). Through close readings of these texts he explores the significance of holy persons as cultural and political symbols. By highlighting this convergence of religious and sociopolitical discourse, Morgan sheds important light on the growth of Spanish American self-consciousness and criollo identity formation. By focusing on the biographical process itself, Morgan demonstrates the importance of reading each hagiographic text for its idiosyncrasies rather than its conventional features. His work offers new insight into the Latin American cult of saints, inviting scholars to look beyond the isolated lives of individuals to the cultural and social milieus in which their sanctity originated and their public reputations took shape.

The Medieval Crossbow Stuart Ellis-Gorman, 2022-07-20. An in-depth illustrated history and technical study of this iconic weapon of the Middle Ages. The crossbow is an iconic weapon of the Middle Ages and alongside the longbow, one of the most effective ranged weapons of the pre-gunpowder era. Unfortunately, despite its general fame, it has been decades since an in-depth history of the medieval crossbow has been published, which is why Stuart Ellis-Gorman's detailed, accessible, and highly illustrated study is so valuable. *The Medieval Crossbow* approaches the history of the crossbow from two directions. The first is a technical study of the design and construction of the medieval crossbow, the many different kinds of crossbows used during the Middle Ages, and finally a consideration of the relationship between crossbows and art. The second half of the book explores the history of the crossbow from its origins in ancient China to its decline in sixteenth-century Europe. Along the way, it explores the challenges in deciphering the crossbow's early medieval history as well as its prominence in warfare and sport shooting in the High and Later Middle Ages. This fascinating book brings together the work of a wide range of accomplished crossbow scholars and incorporates the author's own original research to create an account of the medieval crossbow that will appeal to anyone looking to gain an insight into one of the most important weapons of the Middle Ages.

Medieval Heritage Of Mexico And New Spain: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Medieval Heritage Of Mexico And New Spain : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Medieval Heritage Of Mexico And New Spain : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Medieval Heritage Of Mexico And New Spain Introduction

In the digital age, access to information has become easier than ever before. The ability to download Medieval Heritage Of Mexico And New Spain has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Medieval Heritage Of Mexico And New Spain has opened up a world of possibilities. Downloading Medieval Heritage Of Mexico And New Spain provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the

click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Medieval Heritage Of Mexico And New Spain has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Medieval Heritage Of Mexico And New Spain. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Medieval Heritage Of Mexico And New Spain. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Medieval Heritage Of Mexico And New Spain, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Medieval Heritage Of Mexico And New Spain has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
