The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson, I. R.

Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **The Modernist Novel and the**

Decline of Empire John Marx, 2005-12-08 In the early twentieth century subjects of the British Empire ceased to rely on a model of centre and periphery in imagining their world and came instead to view it as an interconnected network of cosmopolitan people and places English language and literature were promoted as essential components of a commercial cultural and linguistic network that spanned the globe John Marx argues that the early twentieth century was a key moment in the emergence of modern globalization rather than simply a period of British imperial decline Modernist fiction was actively engaged in this transformation of society on an international scale The very stylistic abstraction that seemed to remove modernism from social reality in fact internationalized the English language Rather than mapping the decline of Empire modernist novelists such as Conrad and Woolf celebrated the shared culture of the English language as more important than the waning imperial structures of Britain *(Beyond) Posthuman Violence: Epic Rewritings of Ethics in the*

Contemporary Novel Claudio Murgia, 2019-12-02 Neuroscience tells us that the brain is nothing but a metaphor machine capable of extracting meaning from a chaotic reality Following Agamben Arendt Benjamin and Iek a theory of violence can be established according to which violence is a reaction on the part of the individual to the frustration generated by having her metaphor machine suppressed by the mythic narrative of the Law In opposition to mythic violence Benjamin posits the justice of divine violence Divine justice is an excess of life the very uniqueness of the metaphor machine The individual is affected by a difficulty to communicate her metaphor machine to the Other as if it were inexpressible This work explores how the characters in the works of David Foster Wallace Cormac MacCarthy J G Ballard Bret Easton Ellis Chuck Palahniuk William Gibson Neal Stephenson Maurice G Dantec and China Mieville suffer from these limits of language and the constrictions of the Law Through violence they look for their individual Voice intended as their will to say the pure taking place of language Agamben In their struggle to be heard these characters are however deaf to the Voice of the Other There is a need for a new Ethics of Narratives expressed through an Epic of the Voice founded on the will to listen along the lines of the concept of the posthuman theorized by Rosi Braidotti Here subjectivity is a process of constant autopoiesis dependent on the relationship the individual has with the Other and the environment around her that is in the reciprocal will to say and will

to listen Human beings can meet in the taking place of language in the place before the suppressive language of the Law is even born in a meeting of Voices The Cambridge Companion to the Modernist Novel Morag Shiach,2007-04-19 The novel is modernism s most vital and experimental genre With a chronology and guide to further reading this 2007 Companion is an accessible and informative overview of the genre **The Novels of C. Reynolds** Anne Humpherys,2017-03-02 G W M Reynolds 1814 1879 had a major impact on the mid Victorian era that until now has been largely unacknowledged A prolific novelist whose work had a massive circulation and an influential journalist and editor he was a man of contradictions in both his life and writing a middle class figure who devoted his life to working class issues but seldom missed a chance to profit from the exploitation of current issues the founder of the radical newspaper Reynolds Weekly as well as a bestselling author of historical romances gothic and sensation novels oriental tales and domestic fiction a perennial bankrupt who nevertheless ended his life prosperously A figure of such diversity requires a collaborative study Bringing together a distinguished group of scholars this volume does justice to the full range of Reynolds s achievement and influence With proper emphasis on new work in the field the contributors take on Reynolds s involvement with Chartism serial publication the mass market periodical commodity culture and the introduction of French literature into British consciousness to name just a few of the topics covered *The Mysteries of London* the century s most widely read serial receives the extensive treatment this long running urban gothic work deserves Adding to the volume s usefulness are comprehensive bibliographies

of Reynolds's own writings and secondary criticism relevant to the study of this central figure in mid nineteenth century Britain

The Modernist Art of Queer Survival Benjamin Bateman, 2018 Drawing on a critical framework informed by queer theory and psychoanalysis *The Modernist Art of Queer Survival* offers a new definition of survival one that means more than merely the continuation of life This book creates a literary archive of counterarguments to the conventional Darwinian evolutionary protocols of survival in early 20th century thought

Theorists of the Modernist Novel Deborah Parsons, 2014-08-07 Tracing the developing modernist aesthetic in the thought and writings of James Joyce Dorothy Richardson and Virginia Woolf Deborah Parsons considers the cultural social and personal influences upon the three writers Exploring the connections between their theories Parsons pays particular attention to their work on forms of realism characters and consciousness gender and the novel time and history An understanding of these three thinkers is fundamental to a grasp on modernism making this an indispensable guide for students of modernist thought It is also essential reading for those who wish to understand debates about the genre of the novel or the nature of literary expression which were given a new impetus by the pioneering figures of Joyce Richardson and Woolf

Re-Wiring The Ancient Novel, 2 Volume set Edmund Cueva, Stephen Harrison, Hugh Mason, William Owens, Sandra Schwartz, 2019-02-28 The Fifth International Conference on the Ancient Novel which was held in Houston Texas in the fall of 2015 brought together scholars and students of the ancient novel from all over the world in order to share new and significant developments about this fascinating field of study and its important place in the field of Classical Studies The essays contained in these two volumes are clear evidence that the ancient novel has become a valuable part of the Classics canon and its scholarly attempts to understand the ancient Graeco Roman world
