## **My Friend Tater:**

**My Friend Tater** Big Adam, 2004-09 A simple story of the friendship between a shy freshman college student and a security guard on a college campus in Alabama      The Death of a Friend Big Adam, 2003-07 The Death of a Friend is the simple yet heartbreaking story of the young folks and residents of a small town in Western North Carolina in the midst of a tragedy just days before Christmas What is supposed to be a time of joy and merriment is ultimately shattered when one of the town's most prominent citizens leaves the house and never comes back and then the horror of the unimaginable happens Only God knows what has happened between the time of the disappearance and the time of the grisly discovery In the wake of the incident some of those left behind start to lose their sanity their job their zeal for life and all hope and faith in God until they learn that someone out there just might be a killer      **My Friend Manny** Big Adam, 2002-03 About the Author Big Adam was born and raised in Cherokee North Carolina and attends Faulkner University in Montgomery Alabama He plans to graduate in May 2003 with a degree in Journalism He loves to write go bowling take long walks alone late at night read go to church cats driving alone late at night and is a huge fan of Godzilla Garfield and race car driver Jeff Gordon He also serves as editor of the university newspaper He started to write at the young age of four when he discovered the wonder of pens and pencils His first stories were written and illustrated on plain white paper and stapled together By age nine he had written a story about a young boy who was the victim of sexual harassment from a babysitter It was a concept way ahead of his own time and knowledge His writings soon became more vivid and more chillingly realistic possibly due to years of child abuse and being harassed at school by both teachers and peers After one of his stories was discovered in his bedroom its realism content sent his folks into a fury They threatened him if he ever wrote something like that ever again which was nothing more than the truth of what he was going through at the time After that he had to write and express himself in secret when he was certain nobody would know that he was still cultivating his talent as a writer He was finally removed from this abusive environment when he was 12 A trip to the beach in 1993 sparked his imagination like nothing else The idea for one of his first novels was born and it would take him another seven years to finish That novel The Writer appeared in Spring 2001 He has also started several other novels and he vows to finish all of them      **The Four Days** Big Adam, 2006-11 Tater I have something to tell you Thus begins The Four Days the sequel to Big Adam's previous novel My Friend Tater and chronicles the personal holocaustic suffering he endured in the days following the death of the man he called Dad his grandfather Adam has just returned to Faulkner University in Alabama following the funeral for his grandfather back home in North Carolina Soon after his family drops him off Adam descends into a perilous nightmare filled with pain grief and torture His vivid and heartfelt memories of Grandpa clash with the misery of waking up each day for the rest of his life knowing Grandpa is gone His friend Tater comes to his side and through Adam's tears of loss and grief he sees that something else happened to Adam while he was at home something so cruel and vicious it drives Adam near the point of madness      *The*
