**My Gift** Bruce Layne, 2003-06 We've all heard several of our friends state with conviction those famous hollow words I should write a book As Bruce Layne reflected on his life it occurred to him that he had a lot to say to his kids and grandkids that would best be expressed in a book These would not be passing words They would be etched in print for his family and offspring to read over and over through the years Layne's story tells of overcoming the challenges of a family split up a disastrous first attempt at college his efforts to revolutionize the insurance industry his bringing business acumen to the often helter skelter world of big time boxing his foray into state politics and his latest major battle against Parkinson's disease Through it all he's employed a gentle demeanor and a firm resolve that is beguiling and intoxicating to observe One of his friends said of Bruce He's a velvet hammer When you see what he's faced and what he's overcome you can't help but be inspired by his life Parliamentary Debates (Hansard). M Dean JohnMDean com      Rolling with the Waves: Our Parkinson's Journey Claire Blatchford, 2019-02-17 With authenticity and honesty Claire Blatchford writes from the heart of her experiences in facing the challenges of living with Parkinson's Disease as it has been manifesting in the body of her husband Ed. In so doing she gives us a book that is not only informative and helpful for anyone else navigating these same challenges but one that is healing as well. I believe this book offers the invaluable gift to anyone dealing with Parkinson's either directly as a patient or indirectly as a caregiver of being seen, heard, and understood. It leaves you feeling that you're not alone. This in itself makes this book worthwhile for anyone dealing with this disease. But Claire does more than this. Through the largeness of her own spirit she enables any of us to feel whether Parkinson's Disease is part of our life or not that we are not alone. Claire is a beautiful writer whose skill with words and images I admire and envy but she is more than this. In showing us the spirit we all have within us connecting us to the wholeness of life Claire is a healer which makes this book a healer's gift.
