My Mourning Year Andrew Marshall,2017-04-06 In 1997 Andrew Marshall s partner and the only person to whom he had ever truly opened his heart died after a gruelling and debilitating illness Unmoored from his old life and feeling let down by his family Andrew struggled not only to make sense of his loss but to even imagine what a future without Thom might look like His diary became a record of recovery and setbacks like a rebound relationship some weird and wonderful encounters with psychics and gurus and how his job as a journalist gave him the chance to talk about death with a range of famous people a forensic anthropologist and a holocaust survivor Slowly but surely with the help of friends a badly behaved dog and a renewed relationship with his parents Andrew began to navigate the Thom shaped hole in his life and started to piece himself back together My Mourning Year is a frank and unflinching account of one man s life over the year following the death of his lover

On Christian Dying Matthew Levering,2004-09-17 Is there an art of dying well If human lives have a meaning and we experience them as profoundly meaningful then so must our deaths and the deaths of our loved ones Too often we are tempted to ignore our own mortality and fill our lives with distracting and strenuous activity

Yet despite all our efforts death plays an inescapable role in shaping our lives Whether due to ordinary circumstances a life threatening diagnosis military service or even religious or ethnic persecution we are called at times to have the courage to accept the possibility of death On Christian Dying gathers original texts from the great saints and teachers of the Christian tradition to present 2000 years of theological wisdom on death and dying Editor Matthew Levering mines the best of classical thought with selections that offer both ancient and contemporary Christians as models for emulation He includes writings from Ignatius of Antioch St Augustine Thomas Aquinas Catherine of Siena Thomas More John Henry Newman and St Therese of Liseux among others This volume explores the questions What is a good death How can we live life to prepare for it What happens to those who have died What is martyrdom How should a Christian understand death in light of Christ s cross How are those who have died related to the living Distinguished by its historical scope accessible appeal for classroom and seminary use and the spiritually profound accounts of Christian death and dying On Christian Dying will be of value to anyone interested in the ultimate meanings of life or facing their own death or that of a loved one *Friendship in death, in letters from the dead to the living; with Letters moral and entertaining ... not in the physical world but in the spiritual realm of our Lord Through this miracle I have traveled to the stars and beyond to far distant planets and to other dimensions outside of our galaxy to do the work of our Lord This book documents my fifteen years of experience as a spiritual warrior In a world full of ever increasing reports about people who have had spiritual encounters I have experienced life after death and as a warrior I have personally battled evil entities In 2014 I received a message from the Lord that instead of visiting people in their homes to pray for them I needed to write a book on my spiritual battles By writing the book it would enable me to help not just hundreds of people but literally thousands throughout the world I believe our salvation depends on having a deep awareness and understanding of our spirituality People also need to connect with their spiritual side in order to become successful and fulfilled in life We all want to live life to the fullest This book will help the reader to accept the Lord s blessings and the Lord s graces unlocking the secrets of your spirituality It will give people hope and increase their faith
