Abbott,2013-05-26 Dreams Like Mine is a powerful collection of poetry about love loss isolation and strength in the face of suffering While many of the poems utilize nature and spirituality as sophisticated metaphors others are beautifully simplistic and elegant This collection of poems exquisitely illustrates the difficulty and intensity of facing one's demons shame and secrecy They offer a provocative glimpse inside the mind of an individual struggling with grief trauma depression and stigma Despite the dark imagery some of the poems conjure they often transcend these painful shadows into messages of hope inspiration and healing They have a distinctive ability to evoke tears as well as courage and valor during life's obstacles

Solariad Surazeus Astarius,2017-10-15 Solariad of Surazeus Guidance of Solaria presents 114 920 lines of verse in 1 660 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 2006 to 2011 **Six Masters of the Spanish Sonnet** Willis Barnstone,1997 With poems selected and translated by one of the preeminent translators of our day this bilingual collection of 112 sonnets by six Spanish language masters of the form ranges in time from the seventeenth to the twentieth centuries and includes the works of poets from Spanish America as well as poets native to Spain Willis Barnstone's selection of sonnets and the extensive historical and biographical background he supplies

serve as a compelling survey of Spanish language poetry that should be of interest both to lovers of poetry in general and to scholars of Spanish language literature in particular Following an introductory examination of the arrival of the sonnet in Spain and of that nation's poetry up to Francisco de Quevedo Barnstone takes up his six masters in chronological turn preceding each with an essay that not only presents the sonneteer under discussion but also continues the carefully delineated history of Spanish language poetry Consistently engaging and informative and never dull or pedantic these essays stand alone as appreciations in the finest sense of that word of some of the greatest poets ever to write It is however Barnstone's subtle musical clear and concise translations that form the heart of this collection As Barnstone himself says In many ways all my life has been some kind of preparation for this volume *The Methodist new connexion magazine and evangelical repository*, 1852
