My Home Is Far Away 1st Edition:

My Home is Far Away Dawn Powell, 2011-11-08 *My Home is Far Away* is the most precisely autobiographical of Powell's fifteen novels. In this family chronicle set in early twentieth century Ohio, young Marcia Willard's family struggles to keep up with the rapidly changing times, and Marcia endures disillusionment, cruelty, and betrayal to forge a survivor's sense of independence. John Updike has compared Powell with Theodore Dreiser, Willa Cather, Sherwood Anderson, and those other Midwestern writers who felt something epic in the national shift from rural to urban, from provincial sequestration to metropolitan liberation. By 1941, when Powell set to work on *My Home Is Far Away*, she was better known for the smart, boozy, bawdy, hilarious send-ups of Manhattan high and low life. She had begun to attain a reputation for high sophistication, and nothing could be less sophisticated in the glittering, all-knowing, furiously present-tense big-city manner Powell had perfected than *My Home Is Far Away*. This was the month of cherries and peaches of green apples beyond the grape arbor of little dandelion ghosts in the grass of sour grass and four-leaf clovers of still-dry heat holding the smell of nasturtiums and dying lilacs. This was the best month of all and the best day. It was not birthday, Easter, Christmas, or picnic, but all these things and something else, something wonderful, something utterly unknown. The two little girls in embroidered white Sunday dresses knew no way to express their secret joy but by whirling each other dizzily over the lawn, crying, "We're moving, we're moving. We're moving to London Junction." *My Home Is Far Away* is one of the very few examples of a book written for adults with an adult command of the language that maintains the vantage point of a hungry, serious child throughout. It might be likened to a memoir that has been penned not with the usual tranquility of distance but rather with the sense that everything happening to the characters is happening right now, without any promise of eventual escape, without any assurance that childhood too shall pass away. *My Home is Far Away* had been out of print for sixty years when Steerforth reissued it in 1995. It received immediate widespread acclaim and was featured on the cover of the *New York Times Book Review*, where Terry Teachout called it one of the permanent masterpieces of childhood, comparable with *David Copperfield*, *What Maisie Knew*, and the early reminiscences of *Colette*, and where he proclaimed Powell to be one of this country's least recognized great novelists.

From tent revivals to radio and records with a gospel music innovator, Homer Rodeheaver merged evangelical hymns and African American spirituals with popular music to create a potent gospel style. Kevin Mungons and Douglas Yeo examine his enormous influence on gospel music against the backdrop of Christian music history and Rodeheaver's impact as a cultural and business figure. Rodeheaver rose to fame as the trombone playing song leader for evangelist Billy Sunday. As revivalism declined after World War I, Rodeheaver leveraged his

place in America's newborn celebrity culture to start the first gospel record label and launch a nationwide radio program. His groundbreaking combination of hymnal publishing and recording technology helped define the early Christian music industry. In his later years, he influenced figures like Billy Graham and witnessed the music's split into southern gospel and black gospel. Clear-eyed and revealing, *Homer Rodeheaver and the Rise of the Gospel Music Industry* is an overdue consideration of a pioneering figure in American music.

Mothers' Counsel to Their Sons Jennie Carpenter Rutty, 1899 [The Lord Gives and I Take](#) Rosalie Cowick, 2023-03-17 God is so so good He never stops showering his love his mercy and his compassion on us in so many many ways The Lord gives and I take It doesn't sound too good for us does it I could spend the rest of my life writing about what God gives to each one of us even to those who do not walk with the Lord His hand is continually pouring out Most of us do not think about it or we ignore it And if we do we look at it with very dim sighted eyes Much of our time is spent on the expectations of what we want from him But he gives and he gives and he gives And the reality is we take and we take and we take We take all that God supplies with very little thankfulness to him We are greedy and we expect so much and the truth is we are so undeserving Can we ever pay God back Never never never But we can recognize appreciate embrace and be thankful for what he has done is doing and will do by honoring him and living our lives in his love and in service to him worshipping and giving him all the glory and bringing to light his word to those who don't know him I stand in awe and amazement at the Lord's grace for humankind He holds all together for us Be brought back to the beauty the awe and the wonder of God May we change the casualness in our hearts and minds that we take toward him and begin to develop a view of his awesome mercy and grace Join me in plunging into the depths of his goodness

A Pioneer Songster Harold W. Thompson, Edith E. Cutting, 2018-05-31 Folklorists and lovers of folk songs will delight in this collection of the lyrics of songs sung by settlers of western New York in the middle of the nineteenth century. The manuscript on which this book is based is the most important collection of traditional song texts British and American in origin to survive from its period. Discovered in the 1930s in the attic of Harry S. Douglass in Arcade, New York, it was written by Julia S. and Volney O. Stevens, who transcribed nearly ninety of the songs with which their father, Artemas Stevens, so often entertained them. The Stevens family had come to Wyoming County, New York, from New England in 1836, bringing with them traditional songs and ballads. The Stevens-Douglass manuscript contains the texts of 89 songs. In *A Pioneer Songster*, these are organized first by their origins: 36 are from the British Isles, 53 were composed in America, and then according to themes and subjects including love, history, politics, the pioneering life, politics, murder, and shipwrecks, minstrel songs, spirituals, Indian legends, temperance, and satire. The book features a general introduction and shorter introductions to each themed section. In addition, each song is accompanied by an informative headnote detailing its history, meaning, and significance. *A Pioneer Songster* has been edited for the enjoyment of the general reader, but in their annotation

the editors have aimed at assisting students and scholars of folklore musicology and American history While preserving the manuscript's original punctuation and spelling they have succeeded in creating a resource that will be of interest to all who care for the American folk tradition and the history of New York State *Balancing the World* Wu MuDi,2020-08-04 Some major powers had made a prophecy Demons descend Kill all living creatures Born without a soul three years old with a soul in the body Open your eyes and look at the world Slaughter is everywhere They were the focus of the world from the moment they were born and every force was looking for a way to kill them As long as he wanted to protect himself and raise his cultivation as fast as possible then he had to help the Zhuo Family who was in dire straits to escape Become a monster and drive the enemy out of Ten Thousand Beast Mountain His soul was 空空 Yee Chiang,2002 First published in 1939 this book by Chiang Yee was one of the first available titles written in English by a Chinese author but it also reversed the expected conventions of travel writing as the exotic subject becomes London and its people as observed by a foreigner
