*The Secret Life of a Preacher's Wife* Shirley,2012-07 My sincere hope is that every person in an abusive relationship will get out and that the abuser will be changed by realizing the pain and suffering they cause When I prayed that God would allow me to marry a preacher somewhere in my mind I thought it would guarantee me a life of love peace and happiness Nothing was further from the truth After all preachers are men too clothed in nice suits shoes and fancy robes All my life I had been around marriages that should have ended years ago I wanted to be different I wanted to help people change I wanted to see men love and cherish their wives We all know for the most part at least on the surface that preachers wives seem to be more than happy Some wear the designer suits and hats with fancy matching shoes On occasion I did too However I soon found out at least in my life it was all superficial I was all smiles and encouraging words outside the door but most days behind closed doors my life was a living hell Three months into my marriage I began living in a nightmare I told myself I would never tell anyone I would help the world believe we had the ideal marriage Even before the I do s I knew there were some problems Before long Shirley became a preacher s wife with a secret life and everything in her told her that she s not the only one

*My Secret Life, Volumes I to III* Anonymous Anonymous,2019-09-15 Excerpt I began these memoirs when about twenty five years old having from youth kept a diary of some sort which perhaps from habit made me think of recording my inner and secret life When I began it I had scarcely read a bawdy book none of which excepting *Fanny Hill* appeared to me to be

truthful that did and it does so still the others telling of recherche eroticisms or of inordinate copulative powers of the strange twists tricks and fancies of matured voluptuousness and philosophical lewdness seemed to my comparative ignorance as bawdy imaginings or lying inventions not worthy of belief although I now know by experience that they may be true enough however eccentric and improbable they may appear to the uninitiated Fanny Hill was a woman's experience Written perhaps by a woman where was a man's written with equal truth That book has no bawdy word in it but bawdy acts need the bawdy ejaculations the erotic full flavored expressions which even the chastest indulge in when lust or love is in its full tide of performance So I determined to write my private life freely as to fact and in the spirit of the lustful acts done by me or witnessed it is written therefore with absolute truth and without any regard whatever for what the world calls decency Decency and voluptuousness in its fullest acceptance cannot exist together one would kill the other the poetry of copulation I have only experienced with a few women which however neither prevented them nor me from calling a spade a spade
