Américanas, Autocracy, and Autobiographical Innovation Lisa Ortiz-Vilarelle, 2020-11-03

Overwriting the Dictator is literary study of life writing and dictatorship in Americas Its focus is women who have attempted to rewrite or overwrite discourses of womanhood and nationalism in the dictatorships of their nations of origin The project covers five 20th century autocratic governments the totalitarianism of Rafael Trujillo s regime in the Dominican Republic the dynasty of the Somoza family in Nicaragua the charismatic yet polemical impact of Juan and Eva Per n on the proletariat of Argentina the controversial rule of Fidel Castro following Cuba s 1959 revolution and Augusto Pinochet s coup d tat that transformed Chile into a police state Each chapter traces emerging patterns of experimentation with autobiographical form and determines how specific autocratic methods of control suppress certain methods of self representation and enable others The book foregrounds ways in which women s self representation produces a counter narrative that critiques and undermines dictatorial power with the depiction of women as self aware resisting subjects engaged in repositioning their gendered narratives of national identity

Women Writing Trauma in the Global South Annemarie Pabel, 2022-09-08

Through exploring complex suffering in the writings of Aminatta Forna Isabel Allende and Anuradha Roy *Women Writing Trauma in the Global South* dismantles conceptual shortcomings and problematic imbalances at the core of existing theorizations around psychological trauma The global constellation of women writers from Sierra Leone Chile and India facilitates a productive analysis of how the texts navigate intertwined experiences of individual and systemic trauma The discussion departs from a recent critical turn in literary and cultural trauma studies and transgresses many interrelated

boundaries of geocultural contexts language and genre Discovering the role of literary forms in reparative articulation and empathic witnessing this critical intervention develops new ideas for an inclusive conceptual expansion of trauma from the global peripheries and contributes to the ongoing debate on marginalized suffering **The Cambridge Companion to the Modern Gothic** Jerrold E. Hogle, 2014-12-04 This Companion explores the Gothic across literature film television and cyberspace revealing how it has proliferated since 1900 as an expression of modernity Essays examine the role of Gothic in major struggles of modern life over sex and gender the intermixing of different cultures and the very nature of modernity

The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

A Sense of Place Michael Shapiro, 2009-05-01 In A Sense of Place journalist travel writer Michael Shapiro goes on a pilgrimage to visit the world s great travel writers on their home turf to get their views on their careers the writer s craft and most importantly why they chose to live where they do and what that place means to them The book chronicles a young writer s conversations with his heroes writers he s read for years who inspired him both to pack his bags to travel and to pick up a pen and write Michael skillfully coaxes a collective portrait through his interviews allowing the authors to speak intimately about the writer s life and how place influences their work and perceptions In each chapter Michael sets the scene by describing the writer s surroundings placing the reader squarely in the locale whether it be Simon Winchester s Massachusetts Redmond O Hanlon s London or Frances Mayes s Tuscany He then lets the writer speak about life and the world and through quiet probing draws out fascinating commentary from these remarkable people For Michael it s a dream
