Mutua Mulli, 2016-03-16 At six years old Charles Mulli woke up one morning to find he had been completely abandoned by both parents All alone he fell into a life of abject poverty forcing Mulli to wander from hut to hut begging for food for his very survival unable even to attend school As a teenager Mulli started a small taxi company which grew to be very successful Eventually he expanded his business ventures to include real estate insurance and oil and gas distribution becoming a highly successful businessman But despite all his success the growing struggle in his heart over the plight of thousands of Kenyan street children remained strong until one day he surrendered to the call of God on his life to sell everything he owned and begin rescuing street children from the slums of Kenya His story is told here in My Journey of Faith from his own perspective describing his incredible life of faith that is filled with love miracles and powerful answers to prayer and demonstrates persuasively how a close walk with God is accessible to all of us even today The reader will experience the amazing true stories of tragedy turned triumph where hopeless cases encounter the work of Charles Mulli's and discover a new life they could not have imagined My Journey to Faith Gautham Jayachandran, 2017-02-28 The word journey is a common

metaphor used to describe our time here on Earth Everyone's journey of life is unique and it can change direction at any time for any reason by our own choice or by conditions imposed upon us This booklet is about one quite ordinary life journey mine a dominant feature of which is a journey to faith in God I was brought up in India as a god fearing Hindu mainly because of the influence my mother's religious practices had on me But my life as a Hindu radically changed direction when I was confronted by the God of the Bible I respectfully discuss my experiences both as a Hindu and as a Christian and present my reasons for the change of spiritual direction in my life I hope you find this booklet an encouragement in your own journey of

life **Reflections on the Journey of Faith.** Clive William Ayre,2022-11-01 In a world not attuned to waiting and that frequently desires instant answers and achievement it is important sometimes to stop and reflect on the journey we have embarked upon And life is a journey The life of faith is a journey and it is one that we share with so many others That is important when we think of the journey as one that includes both gift and calling challenge and encouragement It is obviously a two way engagement As in the first volume the reflections in this book broadly follow the Christian year and are designed to encourage and challenge readers in their shared faith journey It is based on the conviction that where faith and life intersect God is to be found and we are called to reflect the divine image The Journey to Faith David J.

Bernstine,2010-04 For even the most casual of Bible readers and or students we are compelled to arrive at the conclusion that faith is not something that we are instantly enabled to obtain nor even boldly declare that recent experience warrants that we possess There is obviously a clear declaration in Scripture that there is a Journey TO Faith Cease attempting to pacify God and set out on your Journey TO Faith which pleases God see Hebrews 11 6 Extracted from a section of the life of Abraham the father of the faithful the 6 steps itinerary check points which this book highlights as seen in God s Book of Beginnings Genesis is as Godly rewarding for each reader as the journey was for Abraham As you set out on your journey you too will discover that making a U Turn on your journey is not an option But without FAITH it is impossible to please Him for he who comes to God must believe that He is AND that He is a rewarder of those who diligently seek Him Hebrews 11 6

NKJV **The Journey of Faith** Rachel Vanderwood,2023-03-15 Rosie Johns lived her life hoping to emulate the woman she admired the most her mother Even as a child Rosie was bold confident and eager to face the world But when her life started falling apart beginning with the untimely death of her mother under mysterious circumstances Rosie found herself fighting to maintain her strength and the image she built of herself While searching through her mother s belongings Rosie found a picture that forced her to question everything she knew about herself Desperate for understanding and not knowing how to find the answers on her own Rosie left her home her job and immediate family to seek out the only person in the photo she knew to be able to lead her in the right direction her Uncle Peter Welcoming her with open arms Pastor Peter Merrane is compassionate to the suffering of his niece but he knows that the answers she is in search of must be discovered by her Giving her the only clue he knew would best lead her on her way Pastor Merrane sent his son Christian to journey with her hoping that he too would learn his true purpose through their experiences Although skeptical at first Christian agreed to go with his cousin if only to provide the love and support she needed just as she had done for him in a time of his life he needed it the most Never having expected the adventure that awaited them Rosie and Christian found themselves surrounded by people that not only became as important as they were to each other but also revealed connections both of their parents had to people and places they never knew existed As the mystery begins to unfold and the answers they seek are within their reach Rosie and Christian learn who they are truly meant to be and the blessings that are awaiting them when they accept

their callings to serve an everlasting God *My Tsunami Journey* Mark Dowd,2022-04-11 How can we reconcile belief in a loving God with the suffering of innocent human beings and earthly creatures in the natural world This question as old as the Old Testament s book of Job has been mainly grappled with over the centuries by learned theologians and philosophers But in this groundbreaking work the author is sent on a journey across thousands of miles to speak to Hindus Muslims Buddhists and Christians like himself following the 2004 colossal tsunami waves that killed more than 230 000 people In the wake of such carnage why do some people lose their faith while others emerge with it intact and strengthened Are these events in the natural world really linked to divine justice as punishment for sin And if not what are the best possible explanations for why an intelligent and caring deity would fashion a world in which babies can die of leukemia and the elderly fall victim to deadly viruses such as COVID 19 This account will offer profound food for thought for troubled believers and curious agnostics alike

many women remain in violent marriages is due to a narrow understanding of Scripture and of God's heart. For these women Jennifer Faith has a word: it is not God's will for you to be abused. For over twenty years Jennifer lived a secret life, a life of fear and shame, a daily existence marked by powerlessness and oppression. Yet God was always there, long before she was able to distinguish between his loving voice of truth and the lies that kept her captive. If she had not finally allowed Him to intervene, Jennifer would not likely be here today to tell her story and to give Jesus her compassionate pursuing Savior all the glory. With honesty and humility, Jennifer recounts how she came to find herself in a violent marriage, the red flags she missed, the toxic thinking that made her a victim rather than a victor. With courage, she shares her journey from horror to wholeness. She provides resources to help women answer the questions that keep battered women stuck: Am I in an abusive relationship? What if it's my fault? Is it biblical to leave? And she offers hope that just as God made a way for her to journey out of darkness into a life of light and freedom, he wants to do the same for others.

Finding Faith Today Bryan P. Stone, 2018-10-31 How do persons come to faith in our time? Are they active seekers or brought in by others? Is it a journey? Or is it a more sudden conversion? Are spouses, relatives, and friends most important to the process? Do clergy matter? What sorts of values, practices, and lifestyles tend to change for those who newly come to faith? What are the differences among the various religious traditions in how one comes to faith? This book presents the findings of a multi-year study on how people come to faith in the US context. It involves about 1,800 persons who recently made a new profession of faith or some other public commitment across various religious traditions in the US. An initial study was conducted twenty-five years ago on Christian populations in England by Bishop John Finney, but surprisingly little research has been done since then. *Finding Faith Today* is an expansion and follow-up of that study. The book sheds new light on how people come to faith and what sort of spiritual, practical, and social changes accompany that. The book will be a help to those seeking to open up their communities of faith to others with hospitality and integrity.

Faith against the Odds: A Memoir of My Journey from Mississippi to the Ivy League and Beyond Gladys January Willis, 2014 This book presents the story of Gladys January Willis from early childhood to retirement as a university professor and administrator. It chronicles her experiences as a Black girl born and reared in Jackson, Mississippi, as well as her educational sojourn in college and graduate schools and a career in higher education and entrance into Christian ministry as an ordained chaplain. In Chapter IX of the book, Willis writes: "It is no secret that in my racist and segregated community, the majority White system promoted its message loudly and clearly on the public buses in the segregated school system, in employment practices, in segregated eateries, in housing developments, in business transactions, and in the political arena. One of the most impacting experiences in my life after the passage of the 1964 Civil Rights Act was that of exercising my right to vote. Because of the cherished right to vote as an American citizen, whenever there is an election, exercising my right to vote is a top priority. I am sure that my Black home environment played a vital role in the way I came to think about life in general and my own life in particular." She credits her maternal grandmother, Henrietta Young,
