Francis

RN MSN CCRN,2015-05-21 The purpose of this book is to share with Healthcare professionals the alternatives that are

available to them so they can elevate their lives elevate their impact and their influence as they grow in their nursing or Healthcare Career I want to give Healthcare Professionals particularly nurses a glimpse of other areas they can embrace to touch the lives of those they are assigned to or rather those that they are called to serve I want to empower you to be all you can be So many of us put limits on what we can achieve when in reality we were all born to be great and to do great things We are as ordinary as we think we are We will only achieve what we can conceive in our minds I am a strong believer that we should always be progressing upwards in life consistently and purposefully In other words the sky is NOT the limit
