My Journey Through Time Dena Merriam, 2020-01-01 My Journey Through Time is a spiritual memoir that sheds light on the workings of karma the law of cause and effect that creates one's present circumstances and relationships as we see it unfold through Dena's vivid memories of her previous births We travel back in time as Dena learns of a life in early 20th century Russia ranging from the overthrow of the Czar through Nazi Germany then it's back further to a life in early 19th century America in the Deep South and before that to a time in Africa in the early 18th century Her lives in the East in Persia Japan and India go back to the 15th 17th centuries With each past life we can see the way in which it has impacted her present life how it has stemmed from the end of the previous birth and how it will influence her next life Dena Merriam is the founder of an interfaith organization the Global Peace Initiative of Women A long time disciplined meditator Dena's access to her past lives brings a clearer awareness and purpose to her present life and also overcomes any fear of death The memories are triggered when Dena meets a new person or visits a new place in her current life The memories bring remembrances of past suffering but also recollections of spiritual teachers and wise guidance She has not used and does not advocate past life regressions or hypnosis as a way to prompt memories to return Dena has decided to share her story despite being a very private person in hopes that it can provide comfort and awaken the inner knowing of your own ongoing journey through time
