Something Wonderful! Doreen Lackenbauer, Noreen Hishon, 1970 **Sweet Talkin' Demon** Laura J. Burns, Constance M. Burge, 2006-05-09 Phoebe falls in love with a man who seems to be too perfect and her sister Paige suspects that he is working with a demon **Never Box with a Kangaroo #11** Nancy Krulik, 2016-06-14 Sparky goes down under When Sparky chomps on his magic bone this time it kabooms him to Kangaroo Island Australia There he discovers a fox terrier puppy named Mick who's lost his family But Sparky has a plan he'll help Mick find a new family They ask everyone they come across bats penguins kangaroos even bees But will anyone give Mick a home North Country Libraries, 1969 **I'll Stay** Karen Day, 2018-01-30 In this compelling emotionally complex novel a college friendship sparks a life changing sacrifice that connects two women forever even as it shatters their closeness Let her go I'll stay There are some decisions you can never unmake You can only atone for them or try to During her senior year of college Clare Michaels takes a spring break trip to Florida with three other girls including her best friend Lee She's hoping for adventure and a few stories to share back at school Instead a string of bad choices leads to a horrific encounter and Lee offers herself up so that Clare can escape In the weeks and months that follow that fateful incident Lee once so dynamic and ambitious flounders and withdraws Clare was the only person to whom she'd ever confided about her troubled past For Clare that role felt like an honor until it became a burden Now she's trying to make amends for her momentary selfishness by taking care of Lee just as she's been taking care of her high strung mother whose bestselling novel has been both windfall and curse Years pass circumstances change and contact between Clare and Lee ebbs and flows but the events of that night in Florida are impossible to escape They keep dragging Clare back forcing her to confront what really happened and her part in it in hopes of untangling guilt from loyalty and earning forgiveness at last I'll Stay is a heart pounding addictive portrait of how one split second choice can twist our whole lives and how the patterns of our lives lead us to those choices A smart compassionate psychological spellbinder of a book with one of the scariest scenes you'll read anywhere that'll stay with you forever Jenna Blum New York Times bestselling author of *Those Who Save Us* and *The Stormchasers* *Kaapse bibliotekaris*, 2000 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 **My Life in a Blue Suit** Jim Saltonstall, 2022-03-03 At five out of the last six Olympic Games team GBR has been the top nation in sailing a result of strong leadership from the Royal Yachting Association and very talented sailors and coaches But Barry Pickthall formerly the Yachting Correspondent of The Times observes If one man deserves recognition for Britain's remarkable success within the sailing Olympic arena it is Jim Saltonstall the coach who has cajoled encouraged and inspired so many youngsters towards world stardom over the past 3 decades This is the story of Jim Saltonstall and his contribution to the success of British sailing It starts in his home county of Yorkshire and the

seaside town of Bridlington where he learnt to sail It goes through his experiences in the Royal Navy which he joined aged 15 with tours all around the world but particularly sailing with the Royal Navy team and becoming the Royal Navy Sailing Coach This led to his appointment as the first RYA National Yacht Racing Coach the development of the GBR Race Training Scheme and in due course great success at youth world and Olympic levels The 31 Olympic medals won by the 19 sailors who give glowing praise to Jim in the Foreword confirms his contribution to this success Jim retired from his Team GBR role in 2000 after the Sydney Olympics but it is a testimony to him that two of the gold medallists from Tokyo 2020 which took place in 2021 in elite sports a lifetime since Jim retired credit him in their success saying he was a huge inspiration and they couldn't help be motivated by him On top of twice winning the Yachting Journalists Association Yachtsman of the Year Award 1984 and 1995 Jim was awarded the Lifetime Achievement Award at the 2022 British Yachting Awards The story is told as modestly as a Yorkshireman can and is interspaced with tales of cars car journeys and one or two parties Jim also takes time out of the story to give his thoughts on all aspects of youth training competing internationally and coaching Anyone involved in race training will benefit from the wisdom he provides in these pieces **Illywhacker** Peter Carey, 2010-09-01 In Australian slang an illywhacker is a country fair con man an unprincipled seller of fake diamonds and dubious tonics And Herbert Badgery the 139 year old narrator of Peter Carey's uproarious novel may be the king of them all Vagabond and charlatan aviator and car salesman seducer and patriarch Badgery is a walking embodiment of the Australian national character especially of its proclivity for tall stories and barefaced lies As Carey follows this charming scoundrel across a continent and a century he creates a crazy quilt of outlandish encounters with characters that include a genteel dowager who fends off madness with an electric belt and a ravishing young girl with a dangerous fondness for rooftop trysts Boldly inventive irresistibly odd Illywhacker is further proof that Peter Carey is one of the most enchanting writers at work in any hemisphere Learning from Words Jennifer Lackey, 2010-03-18 Testimony is an invaluable source of knowledge We rely on the reports of those around us for everything from the ingredients in our food and medicine to the identity of our family members Recent years have seen an explosion of interest in the epistemology of testimony Despite the multitude of views offered a single thesis is nearly universally accepted testimonial knowledge is acquired through the process of transmission from speaker to hearer In this book Jennifer Lackey shows that this thesis is false and hence that the literature on testimony has been shaped at its core by a view that is fundamentally misguided She then defends a detailed alternative to this conception of testimony whereas the views currently dominant focus on the epistemic status of what speakers believe Lackey advances a theory that instead centers on what speakers say The upshot is that strictly speaking we do not learn from one another's beliefs we learn from one another's words Once this shift in focus is in place Lackey goes on to argue that though positive reasons are necessary for testimonial knowledge testimony itself is an irreducible epistemic source This leads to the development of a theory that gives proper credence to testimony's epistemologically dual nature both the speaker and the

hearer must make a positive epistemic contribution to testimonial knowledge The resulting view not only reveals that testimony has the capacity to generate knowledge but it also gives appropriate weight to our nature as both socially indebted and individually rational creatures The approach found in this book will then represent a radical departure from the views currently dominating the epistemology of testimony and thus is intended to reshape our understanding of the deep and ubiquitous reliance we have on the testimony of those around us
