Lasting Female Educational Leadership Laura Hills,2012-08-14 Our colleges and universities are being led in large part by baby boomers who are now in later midlife Huge numbers of those middle aged leaders will retire within the next 10 years While we know that being in later midlife and impending retirement must influence a person in a leadership position at an institution of higher learning we don t really understand how This book is based upon an empirical study that linked higher education leadership to one aspect of midlife known as generativity This psychosocial phenomenon was described by Erik Erikson as a desire that peaks in midlife to leave something for future generations before one dies Generativity typically manifests itself in the legacy one intends to leave The author of this book has completed a multiple case study of women who are in later midlife and who hold high level leadership positions at an institution of higher learning In this work she shares more than has ever been known about the nature antecedents and support of generativity in the leadership of female higher education leaders in midlife

It Is Written Chuck Chapman, 2023-11-17 For we do not wrestle against flesh and blood but against principalities against powers against the rulers of the darkness of this age against spiritual hosts of wickedness in the heavenly places Ephesians 6 12 It is written that there is an ancient war going on Whether you are aware of it or not whether you believe in that sort of thing or not and whether you care or not that battle rages on even now as you read this Have you ever wondered Is the devil real Can people really be possessed by demons If so can Christians be affected by demonic activity What power does the enemy have over me What power do I have over the enemy Is there anything I can do to lose that power Is there anything I can do to gain more power How do I claim and use my authority in Christ Is there any way to get the devil to leave me and my family alone It Is Written A Field Guide to Spiritual Warfare answers all of these questions and more by pointing

the reader to the Word of God book chapter and verse for relevant practical application on exactly how to overcome Satan and his army as well as how to take the fight to the enemy Are you tired of getting pounded on by the devil day after day week after week month after month and year after year If so then this is the path to freedom for you It may surprise you to learn that it is written that if you are an authentic obedient child of God then the devil doesn't have any power over you unless you just give it to him Furthermore it is written that if you are indeed in Christ then you are actually the one with all the power and authority over the kingdom of darkness Behold I give you the authority to trample on serpents and scorpions and over all the power of the enemy and nothing shall by any means hurt you Luke 10:19 It Is Written A Field Guide to Spiritual Warfare will teach you exactly how to endorse and enforce this God given power and authority
