

A black and white photograph of a man in a military uniform standing in front of a building. The man is smiling and looking towards the camera. He is wearing a short-sleeved shirt and trousers. In the background, there are other people, some sitting and some standing, near the building. A large American flag is draped over the top of the image, partially obscuring the sky and the top of the building.

My Life As A Chaplain:

Born to Serve Chaplain Diana James, 2015-10-05 This book is about being blessed abundantly It is about being obedient to God and allowing Him to lead and direct me Its about Proverbs 3 5 which states Trust in the Lord with all your heart and lean not on your own understanding in all your ways acknowledge him and he will make your paths straight It is about my experiences natural and super natural that resulted in life changing consequences Time and time again many of us have heard that Faith is the substance of things hoped for and the evidence of things not seen Throughout this book I will share what my faith and works has done for Gods glory We must believe by faith to trust God to be our Leader Provider Counselor and that He is limitless and All things are possible *My Journey to Become a Hospital Chaplain* William P. Selig, 2015-10-15 By offering a listening and empathetic presence the chaplain acknowledges that every patient is unique and precious When someone hits a crisis in life hospitalization illness and even death of a loved one than it s the chaplain s task to companion the patient and leadeth them beside the still waters towards hope and healing As a chaplain who provides spiritual support in the hospital environment to patients family members and hospital staff the author gained many experiences which he describes as bordering on the sacred The journey to become a chaplain has been truly transformative he writes and opened my heart to others brought me closer to our Heavenly Parent and according to my wife made me a more sensitive listener and a better husband Basically I would say that the journey to become a chaplain has made me a better human being

My Life as a Chaplain Charles A. Spirn, 2000 The former senior chaplain of Mt Sinai Medical Center in New York relates anecdotes from his nearly legendary career of providing compassionate and effective care to innumerable patients This book of case histories can be read by anyone interested in the human dynamics of hospital patients and provides a blueprint for clergy involved in hospital visitations A native of France Rabbi Charles Spirn escaped the German invasion as a teenager He received his BA and Semicha ordination from Yeshiva University and served in the Orthodox pulpit rabbinate for 28 years He received his PhD in French Literature from Columbia University in 1976 writing his thesis on Jean Jacques Rousseau In 1979 Rabbi Spirn was appointed the first Head Chaplain of the Mt Sinai Medical Center in New York He is the recipient of numerous awards and honours in recognition of his achievements in the rabbinate and in hospital chaplaincy

A Chaplain's Journey Kathleen R Krause, 2025-07-31 During difficult times it is not just the individual who struggles but family and friends as well This author s personal journey through a life threatening illness resulted in several miraculous events In her deepest struggles she learned the art of faith forgiveness healing and hope As she journeyed through recovery she felt a call to help others in similar situations which ultimately led her to the study of chaplaincy and a career as a hospice chaplain This book is filled with spiritual personal and professional insights

Complexities Along My Life's Journey-But God Wayne Heil, 2012-09-11 Everyone has a story but few take time to tell their story *Complexities Along My Life s Journey But God* Wayne Heil has shared an interesting narrative that begins with a

German family moving to Russia escaping by night to America in fear of the oncoming Bolshevik revolution and finding a home in South Dakota It was here that Wayne s personal story begins in Mobridge What follows is a fascinating narrative of loving families beautiful romance and marriage to two beautiful women varied successful ministries and sometimes even bitter disappointment In spite of several setbacks and discouragement this story is about a triumphant life that is rooted in the rich soil of a deep faith The church would be blessed if more people of faith would share their trials and triumphs as honestly as Wayne Heil has in this engaging account of his faith journey **The Presence of a Chaplain** Dr. Barbara Thomas-Reddick,2015-07-25 To understand the purpose the mission and the relevance of this research titled The Presence of a Chaplain I believe sharing my life story will give the reader in depth insight and demonstrate the importance of including chaplains on multi interdisciplinary teams This writer believes that if chaplaincy is considered to be included in diverse systems the student parent guardian would benefit holistically and the chaplains presence along would make a difference in the public and private schools particularly but not limited to when our children are challenged with depression bullying suicidal and low self esteem When a chaplain is present to provide the listening ear our children would have an outlet to share their concerns thoughts and problems to a credentialed qualified and trained chaplain Chaplains are trained to remain available and journey wherever the child or individual maybe reaching them with the holistic plan of care mind body and soul Being ever so mindful to recognize when it is time to transition and pass the baton by making referrals when the matter is out of your scope of practice Chaplaincy E. Dean Cook,2010-05 This book takes us beyond the usual writings about religious ministry It invites us iinto closed communities some more closed than others and allows us to observe the day to day crisis ministries in which the chaplains are engaged We visit battlefields prisons hospitals hospice settings college campuses veterans centers and retirement facilities The writer draws some interesting conclusions about the uniqueness of the chaplaincy and what the greater church can learn from this growing model A Navy Chaplain'S Devotions for Afloat and Ashore Benny J. Hornsby,2016-01-13 As a longtime US Navy and Marine Corps Chaplain afloat and ashore author Benny J Hornsby is familiar with both the realities of the battlefield and the challenges of everyday living A Navy Chaplains Devotions for Afloat and Ashore seeks to provide inspiration for military personnel as well as anyone who is lonely depressed or far from home This volume is also a valuable source of real world illustrations for ministers and other public speakers Hornsby wrote these devotions over the course of a thirty six year career on active duty in the US Navy Chaplain Corps including extended duty on six different Navy ships and several shore installations These devotions were presented onboard ship at the US Naval Academy in Annapolis Maryland and in Navy and Marine Corps chapels hospitals and prisons around the world While most were presented in formal religious settings some appeared in newspapers magazine articles unit newsletters computer bulletin boards and impromptu Bible studies in difficult places such as the battle zones of Vietnam Panama and Lebanon as well as on the radio program Brother Benny Your Radio Pastor *A Chaplain's Last Confession* Robert Tito

Memminger,Evelyn Haider Brown,2015-08-31 A very true life history written by a chaplain Father Tito is the writer of his life He s known by many different names yet I believe Father Tito best tells who he is If there seems to be confusion in his life s story that s because I don t believe he never really knew who he was He had been a compassionate chaplain He was a merciless killer He spoke out against many not making him the most popular man at times Thus he had many enemies He especially spoke against the injustices of his own government He went after the bullies of the Belt Way who created wars for just shear profit His jangled life began without any control over his existence It continued such until his later years His chief controller was his own country the United States of America With all the covert acts of patriotic duty he was never recognized He was a hidden secret in his country He had been stripped of his existence No awards applauses thank you or even up yours This compassionate chaplain became a hit man for his country not totally out of patriotic loyalty but because his parents lives were threatened Therefore he completed covert missions created for him especially since he was a genius If you have trouble following the contents of this true story it s because you re walking inside the brain of a genius a tortured child prodigy A mind that s forever in movement Twisted thoughts Reminiscent events of the past His mind full of real information Terror inside because of the demons of the past pop up Demonic confusion utters or screams from his mouth He talks incessantly not always in any type of the average chronological brain the order of the average man Tito s order is scrambled dictated to him to speak by his overactive mind So again be patient and you will discover a man persecuted by the realms surrounding him family friends church country and the world

A Chaplain's Pilgrimage Kiyo Itokazu,2007-10 From a blissful and innocent childhood years in Lahaina Maui during World War II to the Vietnam War and to terminal patients in healthcare settings the author presents an autobiographical pilgrimage The fear of his own death in Vietnam and the befriending of a catatonic female patient in a psychiatric institution became the catalyst for his psychological emotional and spiritual growth The experiential knowledge enabled him to work in the healthcare field as a Hospital Chaplain With his knowledge of the dynamics of critically ill and terminal patients doctor and patient protocol and medical bio ethics he was able to avoid an unnecessary open heart surgery during a vacation trip to Memphis His pilgrimage continues through his senior years to redeem the God given time he is privileged to enjoy and acknowledge that life is worthwhile at every age He continues to sing with the Psalmist This is the day that the Lord has made let us rejoice and be glad in it Psalm 118 24 NIV

The Army Chaplaincy ,1993 *The Chaplain's Presence and Medical Power* Richard Coble,2017-12-20 Why is loss present but rarely spoken of in the hospital system How does such silence carry over to the practices of chaplains who accompany dying patients and grieving families Richard Coble critically examines his experiences as a hospital chaplain to analyze the place of spiritual care in wider trends vexing healthcare today including its persistent disparities and its related inability to reckon with human decline Simultaneously he offers routes for chaplains to be a force of change

Refilling The Chaplain's Cup Sylvia Peterson,John Peterson,2023-10-08 John and Sylvia understand that chaplain self care is much

more than spending a few extra minutes in prayer Based on their own ministries they assist readers to find activities that are most likely to restore them when they are running on empty creative expression mental exercise emotional health physical health recreation relationships and spiritual practice

The Chaplain's War Brad R. Torgersen, 2014-09-16 The mantis cyborgs insectlike cruel and determined to wipe humanity from the face of the galaxy The Fleet is humanity's last chance a multi world multi national task force assembled to hold the line against the aliens overwhelming technology and firepower Enter Harrison Barlow who like so many young men of wars past simply wants to serve his people and partake of the grand adventure of military life Only Harrison is not a hot pilot nor a crack shot with a rifle What good is a Chaplain's Assistant in the interstellar battles which will decide the fate of all More than he thinks Because while the mantis insectoids are determined to eliminate the human threat to mantis supremacy they remember the errors of their past Is there the slightest chance that humans might have value Especially since humans seem to have the one thing the mantis explicitly do not an innate ability to believe in what cannot be proven nor seen God Captured and stranded behind enemy lines Barlow must come to grips with the fact that he is not only bargaining for his own life but the lives of everyone he knows and loves And so he embarks upon an improbable gambit determined to alter the course of the entire war At the publisher's request this title is sold without DRM Digital Rights Management About Chaplain's War Solid hard SF with the frisson of well thought through action Much to enjoy Dr Gregory Benford multiple Nebula award winning creator of the Galactic Center saga About Brad Torgersen Brad Torgersen can write something technical and complex yet still give it real emotional depth He's one of the most talented authors I've ever read Larry Correia author of the best selling Monster Hunter series Brad R Torgersen shows why he's going to be a power in this field for years to come Mike Resnick multiple Hugo Award winning author and editor Brad Torgersen is a writer who's done a lot and come up the hard way and the depth of his writing shows it especially in understanding the nuts and bolts of technology and the souls of those who use it L E Modesitt Jr

Learning from Case Studies in Chaplaincy Martijn Stoutjesdijk, 2020-12-01 The recent production of case studies in chaplaincy care combines the narrative nature of chaplaincy with the rigors of research demanded in contemporary care settings The contributions in this volume from both practitioners and academic researchers join reflections on the challenges and promises of case study research in chaplaincy care with the results of specific case studies Based on reflections on methodology and professionalization in chaplaincy the volume hopes to contribute to answering the question of how and why chaplaincy works As such the book aims for a wide readership of scholars chaplains and policy makers Learning from Case Studies originated from the first international conference on case study research in chaplaincy care that was held in Amsterdam in 2019 This book is a valuable Western European contribution to the international emerging field of chaplaincy research Prof dr Anne Vandenhoeck Director of the European Research Institute for Chaplains in Health Care KU Leuven Belgium This significant book represents a step change in research into effective chaplaincy practice Building on previous work led by Fitchett and

Nolan chaplains and academics offer new case studies but also develop this critically reflective approach together Chapters on methodology show how case studies especially when analysed comparatively provide important evidence for how and why chaplaincy works Rev Dr Andrew Todd Director of the Professional Doctorate in Practical Theology Anglia Ruskin University England At the heart of chaplaincy are stories and this collection combines reverence for the stories themselves alongside a critical exploration of how these cases engage with the important issues of our times what it means to be a profession and to have a professional identity and the need for research that recognises the integral relationship between practice and evidence This book provides a significant contribution to the current conversations in the spiritual care field Cheryl Holmes OAM CEO Spiritual Health Association Australia Chaplaincy Grace Thomas, Kim Wasey, 2024-09-30 This new collection from chaplains in a wide variety of contemporary chaplaincy settings in the UK and around the globe brings together practitioner perspectives with academic discussion and is tailored to support students of Chaplaincy at every level The lively narratives and reflections make this book accessible to those engaging with what chaplaincy means for the first time while the rigorous critical engagement with key issues makes this a key read for anyone seeking a fresh and global perspective on developments at the forefront of this swiftly growing and diversifying field of ministry The volume explores what chaplaincy means in contemporary and global settings It takes seriously the intersectionality of both practitioners and recipients of chaplaincy ministry centering factors such as race gender and disability alongside political missional and denominational considerations **Creative Living Series: A Minister's Insight on Chaplaincy** Dr. Catherine D. Weathers, 2013-05-15 The writer's aim has been to prepare a standard work on Clinical Pastoral Education CPE which can be used as a Study Guide or Text book in Theological Seminaries Internship for Clinical Pastoral Education Bible Schools and also it would be an invaluable service for pastors during courses in discipleship While I was an intern in CPE I sought after a book that would help me understand and prepare me for the program a little better of course I found none So I pray this book guide you while you walk through the corridors assisting and praying for the needs of the hospital patients residents of nursing homes and prisoner that are incarcerated May God bless you and protect you as you complete your mission **A Chaplain's Experience** Rev. John Skanse MDiv., COL ILANG (Retired), BCC, 2018-02-20 What is the place of a chaplain in medical care How does chaplaincy fit into the psychological and physical spectrum of care in a medical setting What words might more effectively express the need for chaplaincy involvement What is the global goal of chaplaincy involvement whether working with a patient of one's own religion other religions or those with no religious focus How can a deeply religious chaplain effectively and honestly work with non religious patients and or family to provide a needed value These questions are explored in depth in Chaplain Skanse's new book A Chaplain's Expertise The New Paradigm In it Chaplain Skanse seeks to develop a simpler universal language to talk about spiritual care Much is said about being spiritual and touching another person's life spiritually What this means and how one actually does this in the crisis of medical uncertainty without stepping

on the autonomy of another person and or their family is explored with this new paradigm Chaplain Skanse seeks to simplify the language of chaplaincy into a functional common language that allows patients their families the medical team hospital administrators and even society at large to understand and converse with the chaplain This language creates a more unified and effective response to the questions of what chaplains do beyond their own religious or denominational offerings and how can they speak about their value to everyone involved in the trauma of medical need Whether one is exploring the field of chaplaincy for the first time or has worked in chaplaincy for a many years this new perspective provides a framework from which everyone on the medical team can begin their evaluation with common goals for spiritual care

The Chaplain'S Cross Ed DeVos, 2014-05-16 I was mesmerized by the way the author captured the realism of how World War II was experienced through the eyes of the soldiers and their families A must read for all generations Jim Walsh former president of the 307th Bomb Group Association The Chaplains Cross is a thought provoking inspirational historical novel honoring the chaplains and the men who serviced in the US Army Air Corps in World War II It is a story of how God knits together all things for His glory The story follows two men one an army air corps chaplain and the other a Japanese fighter pilot as the two prepare for a battle that takes place over Truk Atoll on 29 March 1944 a battle in which the 307th Bomb Group is awarded a Distinguished Unit Citation The Chaplains Cross weaves together the actions of these two men exploring their views of their faith as well as how they interact with those around them Each man faces a crisis in conscience in his own way leading to a surprise ending that continues to have implications for us today The narrative captures the historical accuracy of a major World War II air campaign highlighting the ministry and sacrifice of an army chaplain who loved God faithfully ministered to his flock The story seamlessly weaves the circumstances leading to God's will in transforming a foreign land Dr Charles Lewis Chaplain Lieutenant Colonel USAF Retired

Chaplaincy and the Soul of Health and Social Care Ewan Kelly, John Swinton, 2019-12-19 Gathering together thoughts and visions of experienced practitioners academics educators and strategic leaders from around the world this edited volume sheds light on the nature of chaplaincy and its role and significance within ever changing contemporary healthcare systems A wide range of issues central to spiritual care delivery are covered including reflections on what it feels like to be cared for by a chaplain through illness the nature of chaplaincy as a profession and how chaplains can engage with healthcare institutions in ways that have integrity yet are also deeply spiritual The focus throughout is that chaplaincy should not only be guidance for people in distress as a form of crisis intervention but is rather about helping to promote wellbeing and enhance people's quality of life Where specialisms tend to fragment systems and individuals this book seeks to show that true health and wellbeing can only be found through a holistic approach and shows how chaplaincy can bring this to the table This book is for anyone who recognises the centrality of spirituality for wellbeing and wishes to see what that might look like in practice
