Critical and Exegetical Hand-book to the Epistles to the Philippians and Colossians Heinrich August Wilhelm Meyer, 1875 *The Works of Aphra Behn (Complete)* Aphra Behn, 2020-09-28 It is perhaps not altogether easy to appreciate the multiplicity of difficulties with which the first editor of Mrs Behn has to cope Not only is her life strangely mysterious and obscure but the rubbish of half a dozen romancing biographers must needs be cleared away before we can even begin to see daylight Matter which had been for two centuries accepted on seemingly the soundest authority is proven false her family name itself was until my recent discovery wrongly given the very question of her portrait has its own vexed and until now unrecognized dilemmas In fine there seems no point connected with our first professional authoress which did not call for the nicest investigation and the most incontrovertible proof before it could be accepted without suspicion or reserve The various collections of her plays and novels which appeared in the first half of the eighteenth century give us nothing nay they rather cumber our path with the trash of discredited Memoirs Pearson's reprint 1871 is entirely valueless there is no attempt however meagre at editing no effort to elucidate a single allusion moreover several of the Novels and the Poems in their entirety are lacking I am happy to give Vol V one of the Novels and that not the least important The History of the Nun for the first time in any collected edition Poems in addition to those which appeared in Mrs Behn's lifetime and were never reprinted after have been gathered with great care from many sources of which some were almost forgotten It is hoped that this new issue of Mrs Behn may prove adequate Any difficulties in the editing have been more than amply compensated for by the interest shown by many friends Foremost my best thanks are due to Mr Bullen whose life long experience of the minuti_ of editing our best dramatic literature has been ungrudgingly at my service throughout to the no small advantage of myself and my work Mr Edmund Gosse C B has shown the liveliest interest in the book from its inception and I owe him most grateful recognition for his kindly encouragement and aid Nay more he did not spare to lend me treasured items from his library so rich in first and boasting unique editions of Mrs Behn Mr G Thorn Drury K C never wearied of answering my enquiries and in discussion solved many a knotty point To him I am obliged for the transcript of Mrs Behn's letter to Waller's daughter in law and also the Satire on Dryden He even gave of his valuable time to read through the Memoir and from the superabundance of his knowledge made suggestions of the first importance The unsurpassed library of Mr T J Wise the well known bibliographer was freely at my disposal In other cases where I have received any assistance in clearing a difficulty I

have made my acknowledgement in the note itself **Delphi Complete Works of Aphra Behn (Illustrated)** Aphra Behn, 2016-03-07 The first English woman to earn her living by her writing the Restoration author Aphra Behn broke cultural barriers serving as a literary role model for later generations of women authors This comprehensive eBook presents Behn's complete works with numerous illustrations informative introductions and the usual Delphi bonus material Version 1 Beautifully illustrated with images relating to Behn's life and works Concise introductions to the novels and other texts All 16 plays with individual contents tables Includes Behn's pioneering novels Images of how the books were first published giving your eReader a taste of the Restoration texts Excellent formatting of the texts Includes Behn's poetry spend hours exploring the author's diverse works Features two biographies discover Behn's literary life Scholarly ordering of texts into chronological order and literary genres Please visit www.delphiclassics.com to browse through our range of exciting titles
