My Life With Nye:

My Life with Nye Jennie Lee, 1980 **Bevan** Francis Beckett, Clare Beckett, 2024-03-06 An accessible concise biography about Aneurin Nye Bevan the man and politician behind the creation of the UK National Health Service The creation of the National Health Service was the most significant of the many reforms of the post war Labour government in the UK The man responsible was Aneurin Nye Bevan The son of a Welsh miner he became a local trade union leader at only nineteen In 1929 he was elected as a Labour MP Bevan believed the war was Britain s opportunity to create a new society a position he maintained throughout the conflict When the war ended in 1945 the landslide Labour victory gave him the chance to make this vision a reality Known for his impassioned oratory Bevan s fundamental belief that the new NHS should be freely available to all was ultimately at odds with a government struggling to balance the books He resigned in 1951 over the introduction of charges for prescriptions and glasses With the NHS requiring an ever increasing share of national income this updated edition considers Bevan s legacy as the future of the health service he created is fought over as never before

“My Life’S Adventures” Bernard Tinker, 2017-11-27 This book deals with situations of living through the German occupation of Norway from 1940 including shortages of food and heat all under a threatening occupation by the Hitlerite German Army My father was imprisoned in Germany for five years while we survived without his strength and abilities At eleven years old I escaped imprisonment or death when caught by a German soldier in the wrong place The story moves to a totally different environment in Nigeria with another culture that was about to be changed by the removal of British control This gives a picture of the beginning of large changes Queen Elizabeth and Prince Philip attended the liberation ceremony in Benin This book also includes a number of images of the life of the African and English cultures This includes the problems of living with noxious tropical diseases and pests Bernard returned to Britain to continue work and studies but unfortunately developed a serious disease cerebral vasculitis that they did not think he would survive Fortunately he has and is still active

Life As I Find It Charles Neider, 2000-02-14 Mark Twain s hilarity and irreverence shine through in this impeccably chosen collection **Good Wives** Margaret Forster, 2012-07-31 What is a good wife The bestselling author of Hidden Lives explores four marriages including her own in different times and societies to find the answer In 1848 Mary Moffatt became the wife of the missionary and explorer David Livingstone and her obedience and devotion eventually killed her In 1960 Margaret Forster married her school sweetheart Hunter Davies in a London Registry Office and interpreted the role very differently Between these two marriages is a huge gulf in which the notion of marriage changed immeasurably Forster traces the shift in emphasis from submission to partnership first through the marriage of one unconventional American Fanny Osbourne to Robert Louis Stevenson in the late nineteenth century and then through that of Jennie Lee to Aneurin Bevan in the 1930s Why does a woman still want to be a wife in the twenty first century What is the value of marriage today Why do couples still marry in church These are some of the questions Forster asks as she weaves the personal experience of forty

years through the stories of three wives who have long fascinated her Women and Citizenship in Britain and Ireland in the 20th Century Esther Breitenbach, Pat Thane, 2010-05-06 The continuing under representation of women in political and public life remains a matter of concern across a wide range of countries including the UK and Ireland Within the UK it is a topical issue as political parties currently debate strategies often controversial which will increase women's representation At the same time devolution has ushered in significant change in the level of women's representation in Scotland and Wales and improved representation for women in Northern Ireland That such increases in women's representation in political institutions have been slow in coming is indisputable given that full enfranchisement of women on equal terms with men was achieved in Ireland in 1921 and in the UK in 1928 **Jennie Lee** Patricia Hollis, 2014-09-18 First published in 1997 Patricia Hollis's biography of the pioneering Labour MP Jennie Lee 1904-1988 won both the Wolfson History Prize and the Orwell Prize It is the definitive study of this remarkable woman her stormy political career and her marriage to Aneurin Bevan In a new preface to this edition Hollis adds insights into Lee's life which emerged subsequent to first publication and also draws on her own experience as a Labour Minister from 1997-2005 Lee's lives and loves passions and drives are beautifully and frankly explored in Patricia Hollis's compelling book *THE* Superbly researched engrossingly written scrupulously honest Gerald Kaufman Daily Telegraph What makes it particularly fascinating is the author's own first hand knowledge of politics and of the Labour movement TLS One of the best political biographies of recent years Alan Watkins New Statesman
