Greene, 2008-09 *The Pear Orchard* is a hallelujah chorus to soft hearted women who are tough funny courageous lovable and by golly ready to take on whatever comes their way like it or not They will make you laugh cry and consider emulating them however farfetched that may seem Follow them on their paths across the country into the woods street dancing in Japan and

even coming out of the country and into town to become famous as the best cook in three counties You know women like these but you haven't had them all together like this before now Once you meet Sally even before you taste her fried country ham or her Black Bottom Pie you know when you choose up sides you want to be on hers You won't want to mess with De Poon ladylike though she seems Even more you'll envy Mattie Workman's eighty five year old energetic love of traveling the bus lines and her unshakeable belief in the goodness of us all Marie restores our faith in switching horses in midstream and sends us out searching for new ways of looking at the world These women make believers of us all and so we sleep better

**My Name is Patricia** Patricia Wittmer, 2022-03-21 My book is about a frail sensitive little girl with tender emotions having to grow up with no guidance or help I lived in the deep woods in the mountains of Virginia in the 40s and 50s with very little contact or understanding of the outside world One of the strongest sources of support was my Aunt Mamie who surely must have loved me She guided me as best she could for what time I got to spend with her She taught me to braid my hair and how to crochet and cook some and she told me I was pretty After this childhood I was totally unprepared for life I had little to no social skills but I watched and I learned I was determined there was a better way of life and I made my way better I realized I was more than the little girl with a lump on her back that didn't belong I was a worthy person I was denied a formal education although I did manage to complete the tenth year The hardest thing to accept as an adult is that I didn't understand I had choices I raised a wonderful daughter and have two fantastic grandchildren I was a successful antiques dealer and owned my own shop for over forty years I like to paint with oils and I like drawing with pencil I am creative I have written several children's stories and I write poems Some of my poems reflect my life and I do jail ministry and I write poems for the ladies in jail I wrote this book mostly for the family years back Last year my granddaughter told me she had a book she wanted me to read I read it and loved it I was reading in bed and when I finished the book I said You know what The next day I started and typed my book My Name Is Patricia chapter by chapter I compared my book to the book I had just read and thought my life book is just as bizarre and unusual The biggest difference in my book and the other book is mine is not fiction the other was As I wrote so many memories came to me and I was able to include them in my book There were some happy memories the days swimming in the Clinch River and the nice people that crossed my path The life I lived no matter what made me who I am My life was mostly a life of not understanding and fear a gripping fear I thought most every day if Daddy was home I would see Mother die at his hands a fear no child should have to live with I took a chance and sent my book in to see if it could be published and here it is My hope is for the ones who read it they realize that a person can survive Writing this book and having it published is very healing and humbling I got to tell my story I survived and became me **Daddy's Home!** Steven Schnur, 2013-01-23 Today's dad comes home at the end of the day to a job he loves fatherhood Daddy's Home gathers together honest and funny true stories about coming home into manhood getting married buying a house having kids and everything else that happens when you don't want to put off being a grown up any longer Steven Schnur writes about

the frustrations of infertility the scary joy of helping his wife give birth and the relentless scramble to keep up with twins Always he gets the details right and adds a dose of his own hard won wisdom Today s dad is learning to appreciate the small things the daily discoveries children make the pleasures and worries of raising them right and the ever evolving knack for turning little trials into little triumphs Today s dad is negotiating the supermarket coming to terms with his family history and heritage and living with the sweet chaos of watching his children change Daddy s Home preserves in words what is so fleeting in nature the cherished hopes the mayhem and the minor miracles that amplify the narrowly circumscribed universe of one doting father The perfect companion for both veteran and novice dads Daddy s Home is a tribute to people everywhere who are heroic in their ability to recognize joy It is a celebration of a man s biggest challenge and also his biggest delight

Shaw,2021-10-21 Raised as a Southern Baptist in Rome Georgia Susan M Shaw earned graduate degrees from the Southern Baptist Theological Seminary in Louisville Kentucky was ordained a Southern Baptist minister and prepared herself to lead a life of leadership and service among Southern Baptists However dramatic changes in both the makeup and the message of the Southern Baptist Convention during the 1980s and 1990s a period known among Southern Baptists as the Controversy caused Shaw and many other Southern Baptists especially women to reconsider their allegiances In God Speaks to Us Too Southern Baptist Women on Church Home and Society Shaw presents her own experiences as well as those of over 150 other current and former Southern Baptist women in order to examine the role identity and culture of women in the largest Protestant denomination in the country The Southern Baptist Convention was established in the United States in 1845 after a schism between Northern and Southern brethren over the question of slavery Shaw sketches the history of the Southern Baptist faith from its formation through its dramatic expansion following World War II to the Controversy and its aftermath The Controversy began as a successful attempt by fundamentalists within the denomination to pack the leadership and membership of the Southern Baptist Convention the denomination s guiding body with conservative and fundamentalist believers Although no official strictures prohibit a Southern Baptist woman from occupying the primary leadership role within her congregation or her own family rhetoric emanating from the Southern Baptist Convention during the Controversy strongly discouraged such roles for its women and church leadership remains overwhelmingly male as a

result Despite the vast difference between the denomination s radical beginnings and its current position among the most conservative American denominations freedom of conscience is still prized Shaw identifies soul competency or the notion of a free soul that is responsible for its own decisions as the principle by which many Southern Baptist women reconcile their personal attitudes with conservative doctrine These women are often perceived from without as submissive secondary citizens but they are actually powerful actors within their families and churches God Speaks to Us Too reveals that Southern Baptist women understand themselves as agents of their own lives even though they locate their faith within the framework of a highly patriarchal institution Shaw presents these women through their own words and concludes that they believe strongly in their ability to discern the voice of God for themselves
