Majority World Perspectives on Christian Mission Nico A. Botha, Eugene Baron, 2022-05-12 It affords us real pleasure to present this editorial on behalf of the Majority World Christian Leaders Conversation MWCLC The MWCLC started slowly but surely since 2016 following a groundbreaking conversation among eleven mission practitioners from the Majority World who met in the United Kingdom somewhere between London and Oxford At the meeting several themes emerged under the banner of missionary questions and impulses of the Majority World from the perspective of the reign of God These themes and more find reflection in the book However before proceeding to the content of the anthology a note on the concept Majority World seems necessary The time where terms like Third World gained strong currency is long since gone The term Majority World is a new kid on the block and requires some

clarification The use of the term is a strategy of avoiding concepts like Developing or Third World or even Global South which are pejorative in a real sense To speak of the Majority World is geographically accurate in that Africa Asia and Latin America are included

They Were Pilgrims Marcus L. Loane,2006 They Were Pilgrims is the story of four remarkable men who shared a common spiritual aim and ideal They were David Brainerd Henry Martyn Robert Murray M Cheyne and Ion Keith Falconer Their average life span was only thirty years but they left a spiritual impact on their generation which was altogether out of the ordinary Their lives covered the period of history from 1718 to 1887 A clear line of spiritual descent can be traced from David Brainerd to Henry Martyn from Brainerd and Martyn to Robert Murray M Cheyne and from Martyn to Ion Keith Falconer They were all linked to the missionary movement which had its birth in the great spiritual awakening of the eighteenth century They were pioneers in this missionary movement Brainerd with the Native North Americans M Cheyne with the Jews of Palestine and Central Europe Martyn and Keith Falconer in the Muslim world of Persia and Arabia Their contribution to missionary work would be enough in itself to invest their lives with outstanding interest But the greatest single feature in their lives was their unqualified self surrender to the claims of God This book tries to pull up the blinds so that readers can see through the window and can trace the inner spiritual development of these exemplary Christians It is the freshness and clarity of this record of personal devotion which makes the story of their pilgrimage so relevant for the whole hearted disciple of Christ today
