**Mommy and Me** Corinne B. Trepanier,2013-03-21 This is the story of a young girl s life as she lives it in Judenburg Austria and how it differs so greatly from our own in America From a war torn Austria at the beginning of her life to her experiences growing up in Northern Austria We follow this young girl as she immigrates to the United States and builds a new life for herself in a foreign place with a new husband and three children to share life s experiences with **Mother and Me** Julian Padowicz,2014-10-01 In 1939 Julian Padowicz says I was a Polish Jew hater Under different circumstances my story might have been one of denouncing Jews to the Gestapo As it happened I was a Jew myself and I was seven years old Julian s mother was a Warsaw socialite who had no interest in child rearing She turned her son over completely to his governess a good Catholic named Kiki whom he loved with all his heart Kiki was deeply worried about Julian s immortal soul explaining that he could go to Heaven only if he became a Catholic When bombs began to fall on Warsaw Julian s world crumbled His beloved Kiki returned to her family in Lodz Julian s stepfather joined the Polish army and the grief stricken boy was left with the mother whom he hardly knew Resourceful and determined his mother did whatever was necessary to provide for herself and her son she brazenly cut into food lines and befriended Russian officers to get extra rations of food and fuel But brought up by Kiki to distrust all things Jewish Julian considered his mother s behavior un Christian In the winter of 1940 as conditions worsened Julian and his mother made a dramatic escape to Hungary on foot through the Carpathian mountains and Julian came to believe that even Jews could go to Heaven **Just Mommy and Me** H. R. Cline,2009-05 Just Mommy Me is about a little boy who takes the reader with him on a typical day in his life with him and his Mom He walks the reader through his routine from his point of view Through the Eyes of My Mother and Me Rhonda S. Fenske,Bobbie F. Whitaker,2024-11-13 It s more than a story to me it s an opportunity to testify of God s powerful hand in my life It s the untold story of a parent s child living with a rare cholestatic liver disease called Alagille syndrome and how the sovereignty of the Lord saw them through it all The story is about me how I grew up living with a rare cholestatic liver disease and all the obstacles my mother and I faced throughout this journey It is especially important to me that I share my story because I want to let those who are going through a trial such as mine know that they are not alone As you venture through my story you will see that the Lord carries my mother and me throughout these trying times and see how He strategically places people in our path It is the sovereignty of the Lord that helps us get through It is my hope for those who are going through any health issues that they too can have the sovereignty of the Lord to help them and can use these times to also draw closer to having a personal relationship with Him **When My Mommy Dies, Can I Live with You?** Carolyn McLendon,2012-05 Joy desperately reaches out for help because her single mom is dying Living in an underprivileged part of town their lives are filled with sickness violence fear and danger When My Mommy Dies Can I Live with You gives a glimpse of how an average empty nester couple were compelled to help Joy They learn the awful reality of the poverty and terror in a

part of the city just a few miles from their home God protects Joy and orchestrates events so their lives intersect I have known Dave and Carolyn for over thirty years We have two girls the same ages as their two daughters I have seen tremendous Christian growth in their lives over these years The story in this Christ centered book does not surprise me It is filled with their practical faith and tender hearts as they continue to reach out to hurting people It is informative as it exposes the dilemma of poor people whose lives have been affected by the HIV AIDS virus and other social problems It is challenging as it forces the reader to evaluate the quality of his her own Christianity It is almost a diary of their experiences and the reader will be a different person in many ways when the book is closed Ben West retired pastor and missionary to the Philippines
