My Most Special Gift:

Both of Us Ryan O'Neal, Jodee Blanco, Kent Carroll, 2012 The actor discusses his long term relationship with Farrah Fawcett and the various forces that worked against it My Revelations of Love Fabian D. Falls, 2007-10 As indicated in the title this is a study in the historical evolution of the major faiths of mankind and their religious beliefs It is not a study to prove who is right and who is wrong As such it certainly has a different approach to the subject The layout of the subject may not depict the usual traditional approach observed in religious works but it certainly preserves its true historical background This work therefore is mainly historical in its essence The subject matter of this discourse is not only interesting but it is also informative and educational When we talk about the history of mankind we also talk about the origin and the development of their religious beliefs their culture and the social values of their life Theology a critical study of religious ideas a dogmatic approach has often in past been a source of divisions among the people of diverse beliefs and cultures This planet would have been a much better place to live in for all human beings if man had learned to appreciate and respect the religious and cultural beliefs of the people different than those in which he had been brought up Rather than finding differences and keeping alive hatred and dislike for other faiths and beliefs he would have done better if he had understood the common purpose that exists behind all faiths Much has been said and written about the conduct of people who in the name of religion have destabilized the world peace The dangers of such religious polemics are evident in many areas of our planet In the pluralistic world of today no one faith has the monopoly of the Truth People are Christians Jews Hindus Buddhists or Muslims out of their sincere convictions Endowed with the gift of intellect and historical inheritance people have chosen different paths and ways in their search for the Truth We all eat the food grown in the same soil drink water from the same springs and breathe the air from the same atmosphere Even while holding to our own religious views there is no reason why we can not respect and appreciate the beliefs of the others An old Japanese saying goes like this There are many paths at the foot of a mountain but the view of the moon is the same at the top I would consider myself rewarded if through this work I can arouse enough interest in the minds of my readers to know and appreciate the fundamental teachings of all religions namely the understanding of God the Creator of this Universe and Man's relationship with Him **Doomed Cases Box Set** Joanna Mazurkiewicz , 2020-10-10 Her greatest downfall was getting involved with the Royals Her only fear is that they discover her secret Maxine Brodeur is working hard to stay out of trouble these days running her paranormal private detective agency with business partner Ricky But then the unthinkable happens The Royals call on her again She's put that life behind but now the past comes back to hunt her down Surviving will require a sober head and Maxine will have to fight her own demons to stay a step ahead She'll use her arsenal of demonic gifts to uncover the crimes faceoff with the royal family who seeks more than obedience but absolute servitude Will Maxine find the strength to embrace her demonic magic or allow the Royals to force her into a life of indentured service There's only one way out and she's doomed The Doomed Cases series is

Santa & Sam Chris Warner, Larry Bielat, 2020-05-15 Sam Adams is a retired professor with a bad heart. He lives alone with his aging cat in the home he shared for 46 years with his recently departed wife. Christmas is two weeks away and this one will be special. Sam's only son Roger and his two grandchildren are coming home. After learning the joyous news, Sam scrambles to make a holiday home the way his wife once did. He soon realizes it is much harder work as well as the humbling fact that more than one of his friends and neighbors will likely not have a Christmas as good as his unless someone helps them out. After many anxious days of careful preparations, Sam is devastated to learn just hours before the holiday that his son and his family will not be joining him. Roger's mother-in-law has had a stroke and she needs them by her side. Sam feigns a steely resolve for his son's sake and then predictably goes into the tank. Sam awakes from his stupor with an Epiphany: the real joy of Christmas comes from making others happy. He quickly gets to work donning the faded old Santa Claus outfit from his teaching days. Using the presents he intended for his family, Sam sets out to affect the true reason of the season by sharing them with his needy friends and neighbors who are overjoyed by his generosity and kindness. Through a series of timely flashbacks, we learn of Sam's lifelong magical mysterious relationship with Santa Claus and how he and Sam worked together for years to make Christmas special for so many. A story of the human capacity to love and be loved. Santa Sam is a heartfelt contemplation of mankind's most enduring mystery as well as a lasting celebration of a cherished international holiday tradition.

More than just reminiscences, however, *A Foxfire Christmas* includes instructions for recreating many of the ornaments, toys, and recipes that make up so many family traditions, from Chicken and Dumplings to Black Walnut Cake and from candy pulls to corn husk dolls and hand-whittled toy cars.
