My Mother's Daughter Rona Maynard, 2009-02-24 Personal memories of the sort her Chatelaine readers adored a remarkable life story seen through the window of her relationship with her mother Every woman's relationship with her mother is special Yet everyone will recognize some parts of another woman's story especially if it is told as honestly and as sensitively as Rona Maynard tells it here As a little girl Maynard soon came to see that her family was not an ordinary one Her father Max was an artist and an alcoholic Her mother was Fredelle Maynard a brilliant academic who could not get a teaching job because she was a woman Instead she became a writer the author of Raisins and Almonds and above all a driving loving ambitious overpowering mother In her shadow and that of younger sister Joyce who went off at eighteen to live with J D Salinger Rona took time to blossom as a writer and editor in Toronto This book takes us through her career step by step including the miseries of being accused by her son's teachers and her own mother of being a bad mother overly concerned with her own career Rona's strong direct style will ring true for every working woman Through the magic of her writing she gives a clear eyed and affectionate account of her relationship with a demanding loving mother I said to my father You don't live here any more This is Mother's house not yours It's time for you to go My father cursed me He shook his fist Then he left and never came back From *My Mother's Daughter* **Her Mother's Daughter** Linda Carroll, 2007-01-09

The daughter of esteemed writer Paula Fox and the mother of Courtney Love relates the curse of the first born daughter that has haunted four generations of her family As an adopted child Linda Carroll created a magical world of her own made up of dramatic adventures and the abiding fantasy that her real mother would come and take her away When she finds herself pregnant at the age of eighteen she is determined to have the perfect understanding with her child that she lacked with her adoptive mother But readers will know better for that baby grows up to be Courtney Love desperately attention seeking deeply troubled and one of the most talented women in rock Even as a baby Courtney is beset by mood swings that no doctor can explain or cure Her dark moods and paranoia escalate as she grows up driving mother and daughter apart When Courtney has a daughter of her own Linda finally decides to find her own biological mother and end the estrangement of generations of first born daughters Her *Mother's Daughter* is Linda Carroll's story of self discovery as an adopted daughter a childlike hippie mother and a woman determined to find herself before finding her roots Set apart from the typical celebrity memoir by Carroll's gifted storytelling Her *Mother's Daughter* gives a fresh perspective on the elusive yet enduring connections between mothers and daughters and reveals the true history of the wildly confabulatory Courtney Love **Arise and Call Her Blessed: A Daughter's Memoir** C. Mother, She Wrote Yi-Lin Yu, 2005 In this enjoyable and insightful book Yi Lin Yu takes the heated and ongoing feminist debate over motherhood and maternal subjectivity onto a new plane in search of a new synthesis With its specific focus on the three tiered matrilineal narratives *Mother She Wrote* is distinguished by its complex and innovative deployment of psychoanalytic subject relations theories and a meticulous and detailed discussion of various literary texts which calls forth a powerful reformulation of these narratives One of the main strengths of this book is this simultaneous and tactful command of theory and literary practice Apart from advocating the burgeoning development of women s writing of matrilineal narratives the author also sheds new light on further research in the area of feminist motherhood and mothering Publisher s description ***Repossessing the World*** Helen M. Buss, 2006-01-01 Why does it seem as if everyone is writing memoirs and particularly women The current popularity of memoir verifies the common belief that we each have a story to

tell And we do especially women Memoirs are not only representations of women s personal lives but also of their desire to repossess important parts of our culture in which women s stories have not mattered Beginning with her own motivations for writing memoirs Helen M Buss examines the many kinds of memoir written by contemporary women memoirs about growing up memoirs about traumatic events about relationships about work In writing memoirs these women publicly assert that their lives have mattered They reshape the memoir a form as old as the middle ages and as young as today into a social discourse that blends the personal with the political the self with the significant other literature with history and fiction with autobiography and essay Buss urges readers to use their reading experience to help themselves understand and write the significance of their own lives Repossessing the World is the first book length critical inquiry into women s use of a form that has often been dismissed as less important than autobiography less professional than the novel and less intellectual than the formal essay Buss demonstrates that the memoir makes its own art not only through selective borrowing from these genres but also through the unique way that the tripartite narrative voice of the memoir constructs the personal and public experience of the memorist as significant to our cultural moment La Mamma Penelope Morris,Perry Willson,2018-06-07

The idea of the mamma italiana is one of the most widespread and recognizable stereotypes in perceptions of Italian national character both within and beyond Italy This figure makes frequent appearances in jokes and other forms of popular culture but it has also been seen as shaping the lived experience of modern day Italians of both sexes as well as influencing perceptions of Italy in the wider world This interdisciplinary collection examines the invented tradition of mammismo but also contextualizes it by discussing other often contrasting ways in which the role of mothers and the mother son relationship have been understood and represented in culture and society over the last century and a half both in Italy and in its diaspora
