Spies, Lies, and Allies: A Love Story Lisa Brown Roberts, 2018-05-01 Summers are supposed to be fun right Not mine I've got a job at my dad's company which is sponsoring a college scholarship competition I just found out that in addition to my job assisting the competing interns I'm supposed to vote for the winner Totally not what I signed up for My boss is running the competition like it's an episode of Survivor Then there's Carlos who is well very distracting in a good way But I can't even think about him like that because fraternizing on the job means instant disqualification for the intern involved As if that's not enough an anonymous informant with insider intel is trying to sabotage my dad's company on social media and I'm afraid it's working Much as I'd love to quit I can't Kristoffs Never Quit is our family motto I just hope there's more than one survivor by the end of this summer
