My Mother's House David Armand, 2016-03-11 Set in the bucolic yet brutal South of his youth My Mother's House is a memoir by novelist David Armand It recounts the young author's early memories of being born to a schizophrenic mother then given up for adoption only to be raised in a home with an alcoholic and abusive step father In this sharply remembered portrait of the people and places that shaped him Armand paints his seemingly negative experiences with a sympathetic and understanding brush As the reader follows Armand through his childhood and later into adult life when he is reunited with his mother after she makes a failed suicide attempt a surprisingly new world of hope and possibility is rendered despite the overwhelming challenges of this reunion Armand's writing is reminiscent of Hemingway straightforward descriptions of manly action punctuated by laconic dialogue New York Journal of Books Armand writes in a comfortingly familiar literary voice that blends Ernest Hemingway's laconic but rhythmically complicated explorations of the mysteries of masculinity with William Faulkner's more fabulist Southern Gothic twang It's a heady seductively intoxicating combination Richmond Times Dispatch

My Mother's Daughter Perdita Felicien,2021-03-30 NATIONAL BESTSELLER A phenomenal human story I could not put this book down CLARA HUGHES An instant national bestseller this raw and affecting memoir is the story of a mother and daughter who beat the odds together Decades before Perdita Felicien became a World Champion hurdler running the biggest race of her life at the 2004 Olympics she carried more than a nation s hopes she carried her mother Catherine s dreams In

1974 Catherine is determined and tenacious but she's also pregnant with her second child and just scraping by in St Lucia. When she meets a wealthy white Canadian family vacationing on the island, she knows it's her chance. They ask her to come to Canada to be their nanny and she accepts. This was the beginning of Catherine's new life: a life of opportunity but also suffering. Within a few years, she would find herself pregnant a third time, this time in her new country with no family to support her and this time with Perdita. Together in the years to come, mother and daughter would experience racism, domestic abuse, and even homelessness, but Catherine's will would always pull them through. As Perdita grew and began to discover her preternatural athletic gifts, she was edged onward by her mother's love, grit, and faith. Facing literal and figurative hurdles, she learned to leap and pick herself back up when she stumbled. This book is a daughter's memoir, a book about the power of a parent's love to transform their child's life.

A Call to Remember Shaina Fertig, 2022-11-21 Piper Jean Potts Streyle was brutally murdered on July 29, 1996, by serial killer Robert Leroy Anderson. He had taken the life of another woman in 1994 and failed to take another. Streyle was abducted from her home in Canistota, South Dakota, mid-morning, leaving behind two small children who had witnessed the kidnapping. She was presumably ruined, and her body has never been recovered. I was the little girl who witnessed a kidnapping, visions of hell to always be etched in my mind. I was also the girl who would not testify in a court of law. I was the girl who hid behind her soft blanket and would not face the stark, terrifying truth. I would not affirm again the face I knew was my mother's murderer. I would not testify. I am that girl. I wish to no longer be known as the girl who would not testify, but as the woman who will. I will testify. I will speak, and I will tell. This is my testimony through the recalling of memories, answering A Call to Remember.
