My Old Grandad:

My Old Man Amy Sohn, 2004-09-08 From the New York Times bestselling author and one of the city's most provocative columnists comes a hip contemporary novel about love lust and living in the same neighborhood as your parents When twenty six year old Rachel Block started rabbinical school she didn't think she'd be dropping out after a semester and a half But when a sick man dies under her counseling she realizes she's not cut out for the rabbinate To make ends meet she takes a job as a bartender in Cobble Hill her Brooklyn neighborhood much to her parents chagrin Until now Rachel has always been the perfect daughter getting straight A's and dating nice Jewish boys Now she's fending off come ons from sleazy guys and trying to remember the ingredients in a Metropolitan It's the quintessential quarter life crisis compounded by the fact that she's still living just blocks from her childhood home To make matters worse she's having trouble sleeping she can barely get through the night without being awakened by the amorous noises of her sexy friend and upstairs neighbor Liz Kaminsky Then Rachel falls in love with Hank Powell an iconoclastic screenwriter twice her age and a Gentile and finds herself acting more and more like Liz Suddenly she's reassessing her values her surroundings and everything she's ever believed about the right kind of relationship She begins dressing up in outrageous outfits for midday trysts while hiding the dirty details from a newly modest Liz Meanwhile her interactions with her father with whom she's always been close have become increasingly strange Is he distraught that she's dropped out of school Is he having his own midlife crisis Or is he upset over her mother's newfound independence now that she's entered menopause and discovered the joys of a book group Something's up and Rachel's increasingly convinced it might be her father's libido With Rachel's own relationship getting wilder and weirder and her parents acting like teenagers it seems that everyone in Cobble Hill is going crazy A fresh spin on Philip Roth's Portnoy's Complaint **My Old Man** is a sexy comedy about a dysfunctional Brooklyn family coming apart at the seams
