Yachting , 1995-07 **Sailing with Vancouver** Sam McKinney, 2004 Could I have been one of them was what Sam McKinney wondered as he retraced alone from Puget Sound to Queen Charlotte Strait the explorations of Captain George Vancouver and his men In the 1790s day after day they had rowed for long hours camping on rocky beaches in all weathers and charting the intricate coastline for the first time Two hundred years later McKinney followed them in his 25 foot sailboat anchoring in the same locations as they had done experiencing the same winds and waves and sharing what McKinney calls the link of vulnerability that is the ever present condition of all people who go to sea With his boat his pipe and the occasional glass of rum McKinney invites readers along on a perceptive voyage through time and along the magnificent Pacific Northwest coast from Puget Sound through the Georgia and Queen Charlotte Straits Describing both the historical and contemporary voyages around the Inland Sea McKinney offers insightful comparisons of what sailors saw and experienced in the 18th century and what they see today At the end of his trip McKinney like Vancouver claims the area he had explored not by deed of ownership but out of love for the place its staggering beauty and the memories of the people and cultures who have found homes along its shores Could he have indeed been one of Vancouver's men He isn't sure but he would like to have given it a try **Life Stories** Maureen O'Connor, 2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and

Humanities ,1996 **The Drama of Everyday Life** Karl Scheibe,2002-03-15 Psychologists says the old joke know everything there is to know about the college sophomore and the white rat But what about the rest of us older than the former bigger than the latter with lives more labyrinthine than either In this ambitious book Karl E Scheibe aims to take psychology out of its rut and bring it into contact with the complex lives that most people quietly live Drama Scheibe reminds us is no more confined to the theater than religion is to the church or education to the schoolroom Accordingly he brings to his reflection on psychology the drama of literature poetry philosophy history music and theater The essence of drama is transformation the transformation of the quotidian world into something that commands interest and stimulates conversation It is this dramatic transformation that Scheibe seeks in psychology as he pursues a series of suggestive questions such as Why is boredom the central motivational

issue of our time Why are eating and sex the biological foundations of all human dramas Why is indifference a natural condition caring a dramatic achievement Why is schizophrenia disappearing Why does gambling have cosmic significance Writing with elegance and passion Scheibe asks us to take note of the self representation performance and scripts of the drama that is our everyday life In doing so he challenges our dispirited senses and awakens psychology to a new realm of dramatic possibility Widening the Family Circle Kory Floyd, Mark T. Morman, 2006 Widening the Family Circle New Research on Family Communication bridges the significant gap in family communication literature by providing a thorough examination of lesser studied family relationships such as those involving grandparents in laws cousins stepfamilies and adoptive parents In this engaging text editors Kory Floyd and Mark T Morman bring together a diverse collection of empirical studies theoretic essays and critical reviews of literature on communication to constitute a stronger more complete understanding of communication within the family Book Review Digest ,1997 *America and the American People* Friedrich von Raumer, 1846 Losing Mum and Pup Christopher Buckley, 2010-05-04 I had more or less resolved not to write a book about my parents But I m a writer and when the universe hands you material like this not writing about it amounts either to waste or a conscious act of evasion So begins award winning satirist Christopher Buckley in the most personal and transcendent work of his life the tragicomic true story of the year in which both of his parents died In twelve months between 2007 and 2008 Buckley coped with the passing of his father William F Buckley the father of the modern conservative movement and his mother Patricia Taylor Buckley one of New York s most glamorous and colorful socialites He was their only child and their relationship was close and complicated Writes Buckley They were not with respect to every other set of loving wonderful parents in the world your typical mom and dad As Buckley tells the story of their final year together he takes readers on a surprisingly entertaining tour through hospitals funeral homes and memorial services capturing the heartbreaking and disorienting feeling of becoming a fifty five year old orphan Buckley maintains his sense of humor by recalling the words of Oscar Wilde To lose one parent may be regarded as a misfortune To lose both looks like carelessness Christopher Buckley offers consolation wit and warmth to those coping with the death of a parent while telling a unique personal story of life with legends *Encyclopedia of American Literature of the Sea and Great Lakes* Jill B.
