**Anahim Lake Archaeology and the Early Historic Chilcotin Indians – Vertebrate Faunal Remains from the Potlatch Site (FcSi-2) in South Central British Columbia** Roscoe Hall Wilmet, Frances L. Stewart, 1978-01-01

Excavation of a number of pit house sites at Anahim Lake in the central plateau of British Columbia has resulted in the definition of five components the last two attributed to the Chilcotin There are significant resemblances between these two components and Athabaskan complexes recorded elsewhere in North America In this second part of this publication analysis of the vertebrate remains from Potlatch site reveal much about the subsistence of the Chilcotin Significant changes occurred in the percentage of vertebrate remains through time Evidence of butchering and artifactual modification are discussed Range changes of several species are of zoological interest Published in English *Birds of the Yukon Territory* Pamela H. Sinclair, Wendy A. Nixon, Cameron D. Eckert, Nancy L. Hughes, 2011-11-01 The Yukon is a land of remarkable wilderness diverse ecosystems and profound beauty It is also home to a unique assemblage of birds As of 2002 288 bird species have been documented in the Yukon with 223 occurring regularly They occupy an amazing range of habitats from the most barren mountain peaks to lush valley bottom forests and are an integral part of the cultural heritage of Yukon First Nations people The vast areas of natural habitat with limited road access can make the study of birds challenging but are key in defining the nature of birding in the Yukon *Birds of the Yukon Territory* is the result of a decade long project initiated to gather and share what is known about the Yukon's birdlife Lavishly illustrated with 600 colour photographs and 223 hand drawn bird illustrations the book presents a wealth of information on bird distribution migration and breeding chronology nesting behaviour and habitat use and on conservation concerns Two hundred and eighty eight species of birds are documented including 223 regular species and 65 casual and accidental species In compiling this meticulously researched volume the authors consulted over 166 000 records in a database created by the Canadian Wildlife Service with information dating back to 1861 Sections on birds in Aboriginal culture and history and bird names in the Yukon First Nations and Inuvialuit languages enhance the book as do the numerous easily interpreted charts and graphs Destined to become a basic reference work on the avifauna of the North *Birds of the Yukon Territory* is a must have for bird enthusiasts and anyone interested in the natural history of the Yukon and the North *Alaska Highway Explorer* William C. These true stories tell the stories behind the places along the Adventure Road Gamblers and Dreamers Charlene Porsild, 2011-11-01 The popular image of the Klondike is of a rush of white male adventurers who overcame great physical and geographical obstacles in their quest for gold Young white single American men carried forward the ideals and structures of the western frontier It was a man's world made respectable only after the turn of the century with the arrival of white middle class women who miraculously swept out the corners of dirt and vice and civilized the society These impressions endure despite recent attempts to correct them Gamblers and Dreamers tackles some of the myths about the history of the North in the era of the gold rush Though many inhabitants came and went Charlene Porsild focuses on the concept of community commitment to show that many put down roots This in depth study of Dawson City at the turn of the century reveals that the city had a cosmopolitan character a stratified society and a definite permanence It examines the lives of First Nations peoples miners and other labourers professionals merchants dance hall performers and sex trade workers providing fascinating detail about those who left homes and jobs to strike it rich in the last great gold rush of the nineteenth century In the process Gamblers and Dreamers puts a human face on this compelling period of history **States of Nature** Tina Loo, 2011-11-01 Since the early days of the fur trade wildlife has been powerfully and inspiringly emblematic of Canada Yet the story of saving Canada's wildlife is largely unknown States of Nature is one of the first books to trace the development of Canadian wildlife conservation from its social political and historical roots While noting the influence of celebrity conservationists such as Jack Miner and Grey Owl Tina Loo emphasizes the impact of ordinary people on the evolution of wildlife management in Canada She also explores the elements leading up to the emergence of the modern environmental movement ranging from the reliance on and practical knowledge of wildlife demonstrated by rural people to the more aloof and scientific approach of state sponsored environmentalism Illustrated with evocative images of the Canadian wilderness of yesteryear and supported by historical case studies States of Nature will appeal to historians policy makers and wildlife managers as well as to general readers fascinated by the natural world and its champions **The Social Lives of Land** Michael Goldman, Nancy Lee Peluso, Wendy Wolford, 2024-06-15 From the shaping of new homelands in the Cherokee Nation to the export of sand from Cambodia to shore up urban expansion in Singapore The Social Lives of Land reveals the dynamics of contemporary social and political change The editors of this volume bring together contributions from across multiple disciplines and geographic locations The contributions showcase novel theoretical and empirical insights analyzing how people are living on with and from their land From Mozambique to India Indonesia Ecuador and the colonial United States the scholars in this collection uncover histories and retell stories with a focus on the lived experiences of rural and urban land dispossession and repossession Contributors Kati Alvarez Clint Carroll Flora Lu Richard Mbunda Gregg Mitman Paul Nadasdy Robert Nichols Andrew Ofstehage Laura Schoenberger Kirsteen Shields Emmanuel Sulle Erik Swyngedouw Gabriela Valdivia Katherine Verdery Callum Ward Ciara Wirth Emmanuel King Urey Yarkpawolo

Sovereignty's Entailments Paul Nadasdy, 2017-11-29 In recent decades indigenous peoples in the Yukon have signed land claim and self government agreements that spell out the nature of government to government relations and grant individual First Nations significant albeit limited powers of governance over their peoples lands and resources Those agreements however are predicated on the assumption that if First Nations are to qualify as governments at all they must be fundamentally state like and they frame First Nation powers in the culturally contingent idiom of sovereignty Based on over five years of ethnographic research carried out in the southwest Yukon *Sovereignty's Entailments* is a close ethnographic analysis of everyday practices of state formation in a society whose members do not take for granted the cultural entailments of sovereignty This approach enables Nadasdy to illustrate the full scope and magnitude of the cultural revolution that is state formation and expose the culturally specific assumptions about space time and sociality that lie at the heart of sovereign politics Nadasdy's timely and insightful work illuminates how the process of state formation is transforming Yukon Indian people's relationships with one another animals and the land
