My Own Grandpa Little Golden:

My Own Grandpa Leone Castell Anderson,1985-07-15 Andrew wishes for a grandfather to do things with and his mother helps him find one *Heart of Gold* Ruth Brown MacArthur,2019-12-05 In *Heart of Gold* Ruth Brown MacArthur intricately weaves a narrative that explores the complexities of human emotion and the quest for self identity within the rich tapestry of modern society Using a lyrical prose style MacArthur skillfully navigates themes of love loss and the pursuit of authenticity against a backdrop of societal expectations and personal demons The book is not only a reflection of personal struggle but also serves as a critique of the cultural norms that shape our perceptions of success and fulfillment Ruth Brown MacArthur an accomplished author with roots in psychology and social work draws from her extensive experience in understanding the human condition Her academic background and life experiences inform her nuanced storytelling lending depth to the characters she creates MacArthur s journey as a writer has been marked by her commitment to exploring rigorous themes of personal sacrifice and resilience making *Heart of Gold* a poignant addition to her oeuvre This compelling novel is a must read for those who yearn for deeper connections and an exploration of the human spirit MacArthur s reflective narrative invites readers to embark on their own journey of self discovery making it a resonant choice for anyone seeking to understand the delicate balance between societal ambition and personal truth

Little Golden's Daughter; or, The Dream of a Life Time Alex. McVeigh Mrs. Miller,2022-06-13 In *Little Golden s Daughter or The Dream of a Life* Time Mrs Alex McVeigh Miller delights readers with an engaging and somewhat whimsical period melodrama The narrative traverses the life of the eponymous Golden a young girl whose adventures unfold in a quaint village setting emblematic of the pastoral communities in 19th century literature Miller s literary style is marked by a playful tone which provides a buoyant counterbalance to the conventional gravitas of the melodramatic genre The work is a vibrant pastiche rich in character driven dialogue and carefully poised between serious social commentary and the willing suspension of disbelief that makes for a delightful read The book sits comfortably within the popular domestic fiction of its time offering an insight into the mores and attitudes of the period Alex McVeigh Miller s own career as a prolific writer of dime novels adds a layer of depth to *Little Golden s Daughter* The author having crafted many such fanciful and sentimental narratives was adept at exploring themes relevant to the experiences of her largely female audience It is possible that Miller s own observations and interactions within her community may have provided inspiration for her village vignettes and her compassionate portrayal of Golden s youthful na vet For enthusiasts of historical fiction and readers yearning for a nostalgic journey through melodramatic literature *Little Golden s Daughter* is an entrancing choice This book will charm those who appreciate the interplay of simplicity and absurdity characteristic of many 19th century novels It s also an amusing reflection for contemporary readers on the dramatic excesses and the unassuming innocence once abundant in popular literature Miller s narrative is a window into a bygone era offering not just a story but a vintage literary escapade *Heart of Gold* Ruth Brown MacArthur,1915 Fine

Cakewalk Kate Moses, 2010-05-11 From the author of the internationally acclaimed *Wintering* A Novel of Sylvia Plath comes a funny touching memoir of a crummy and crumbly childhood Growing up in the 1960s and 70s Kate Moses was surrounded by sugar Twinkies in the basement freezer honey on the fried chicken Baby Ruth bars in her father's sock drawer But sweetness of the more intangible variety was harder to come by Her parents were disastrously mismatched far too preoccupied with their mutual misery to notice its effects on their kids A frustrated artist Kate's beautiful capricious mother lived in a constant state of creative and marital emergency enlisting Kate as her confidante We're the girls we have to stick together and instructing her three children to refer to her in public as their babysitter Kate's father was aloof ambitious and prone to blasts of withering abuse increasingly directed at the daughter who found herself standing between her embattled parents Kate looked for comfort in the imaginary worlds of books and found refuge in the kitchen where she taught herself to bake and entered the one realm where she was able to wield control Telling her own story with the same lyricism compassion and eye for lush detail she brings to her fiction coupled with the candor and humor she is known for in her personal essays Kate Moses leavens each tale of her coming of age in *Cakewalk* with a recipe from her lifetime of confectionary obsession There is the mysteriously erotic German Chocolate Cake implicated in a bird and bees speech when Kate was seven the gingerbread people her mother baked for Christmas the year Kate officially realized she was fat the chocolate chip cookies Kate used to curry favor during a hilariously gruesome adolescence and the brownies she baked for her idol the legendary M F K Fisher who pronounced them delicious Filled with the abundance and joy that were so lacking in Kate's youth *Cakewalk* is a wise loving tribute to life in all its sweetness as well as its bitterness and ultimately a recipe for forgiveness **AFRS**

One Night Stands: 2001-3000 Charles Garrod, 1996 *Stranger's Return* Phil Stong, 2015-07-03 Separated from her husband in New York and between jobs Louise Storr finds herself at the steps of her grandfather's Iowa farm Grandpa Storr full of years and wisdom is a patriarch who has been the master of the Storr lands for generations Witty and grand he rules his homestead with a serene indifference to the petulant brood of relatives who fill the household Grandpa Storr immediately detects in Louise the ancient Storr qualities of candor independence and wit which have been so sadly lacking in the rest of the Storrs haven brood While some members of the family and community look on with growing ill will Grandpa and Louise become very fond of one another The young woman's marital difficulties are the subject of much gossip and when she takes to riding in the country with a married neighbor and accompanying him to dances the family's ill will turns to malevolence The author has created an enormously life like gallery of Iowans including a greedy and wasp tongued niece by marriage her lazy farm lawyer husband a vague and foolish step daughter and a reliable farmhand fond of corn whiskey Stong's sensitivity towards his characters and his obvious love of the farmland that sustains them make *Stranger's Return* a classic well worth rediscovery *Stranger's Return* was also made into a popular movie by MGM starring Lionel Barrymore and Miriam Hopkins
