My Painting Life:

My Painting Life David Shepherd, 1995-07 Few artists possess David Shepherd's combination of talent and truly popular appeal. He modestly suggests that his success is a result of good fortune and being in the right place at the right time, but for those who know his work, it is obvious that its attraction stems from the wholehearted enthusiasm with which he embraces his subjects. His paintings are suffused with the life, emotion, and colour which reflect David's own personality. Combining over 60 of his very best paintings with a lively autobiographical text, the book takes a fresh look at the fascinating life of this irrepressible artist. From his first influences and training with Robin Goodwin through early struggles and successes and on to the leaps and bounds of his subsequent career, David tells his tale with honesty and sincerity. He pays tribute to the people and animals who have helped him along the way and expresses his total commitment to the cause of wildlife conservation as well as his lifelong love of what he calls big toys: steam trains, aeroplanes, and ships. This outstanding collection of paintings reflects every facet of David Shepherd's personality and experience.
