question What kind of ripples can I make for the Kingdom of God **Philippine Journal of Education** ,1997 *Letting Go of Perfect* Amy E. Spiegel,2012 With fun and depth an everyday Christian wife and mother thought fully challenges some of the self imposed expectations of modern biblical womanhood pointing women toward true freedom in Christ **Sing for Your Supper!** Ian Bloomfield,2025-02-28 From the age of ten Ian Bloomfield worked as a professional musician as a pianist as a French Horn player and later as an opera singer From performing with the English National Opera the Royal Opera House with Phantom of the Opera and many other notable theatres and companies Ian fell from favour and found himself busking in Covent Garden flower market and singing in restaurants as a singing waiter Then for over twenty years Ian sang all over the UK Europe India and the middle east as Bodget the singing waiter serenading audiences with his intoxicating mixture of fine singing and abundant humour Sing for your Supper takes a look behind the scenes at the parties and events where the rich and the famous hedonistically celebrate their wealth and good fortune But it also takes a peep at the poor the sick and the dying as they cope with the struggle of their lives and honour those lives with a song **God Loves Diversity and Justice** Susanne Scholz,2013-05-16 Both personal and scholarly in tone this book encourages readers to think theologically ethically and politically about the statement that declares God loves diversity and justice The multi religious multi ethnic multi disciplinary and multi gendered identities of the eleven contributors and two respondents deepen the conversation It considers questions such as Do we affirm or challenge this theological statement Do we concentrate on God in our response or do we interrogate what diversity and justice mean in light of God s love for diversity and justice Alternatively do we prefer to ponder the verb to love and consider what it might mean for society if people really believed in a divinity loving diversity and justice Of course there are no easy and simple answers whether we consult the Sikh scriptures the Bible the Qur an the movies the Declaration of Human Rights or the transgender movement but the effort is worthwhile The result is a serious historical literary cultural and religious discourse that fends against intellectually rigid thought and simplistic belief systems across the religious spectrum In our world in which so much military unrest and violence economic inequities and religious strife prevail such a conversation nurtures theological ethical and political possibilities of inclusion and justice
