The Lives of Margaret Fuller John Matteson, 2012-01-23 This is the biography of American writer adventurer and social critic Margaret Fuller *The Story of a Life* Konstantin Paustovsky, 2023-02-14 One of the most famous works of Russian literature a memoir about a writer s coming of age during World War I the Russian Civil War and the rise of the Soviet era This is the first unabridged translation of the first three books of Konstantin Paustovsky s magnum opus In 1943 the Soviet author Konstantin Paustovsky started out on what would prove a masterwork The Story of a Life a grand novelistic memoir of a life spent on the ravaged frontier of Russian history Eventually expanding to fill six volumes this extraordinary work of a lifetime would establish Paustovsky as one of Russia s great writers and lead to a nomination for the Nobel Prize in Literature Here the first three books of Paustovsky s epic autobiography long unavailable in English appear in a splendid new translation by Douglas Smith Taking the reader from Paustovsky s Ukrainian youth his family struggling on the verge of collapse through the first stirrings of writerly ambition to his experiences working as a paramedic on the front lines of World War I and then as a journalist covering Russia s violent spiral into revolution this vivid and suspenseful story of coming of age in a time of troubles is lifted by the energy and lyricism of Paustovsky s prose and marked throughout by his deep love of the natural world The Story of a Life is a dazzling achievement of modern literature [Henryk Grossman Works, Volume 2](#)

Henryk Grossman,2020-11-30 Henryk Grossman is best known as a Marxist economist but he also wrote valuable political texts as a leader of the revolutionary organisation of Jewish workers in the Polish province of Austria before the First World War as a member of the Communist Workers Party of Poland during the early 1920s and as a Marxist academic during the early 1930s These writings dealt with the political situation tactics and strategy of Jewish Social Democratic Party of Galicia the initial reception of Marxism in Poland and then substantial entries on left wing movements organisations and individuals in a multi volume reference work *Nietzsche and Dostoevsky* Jeff Love,Jeffrey Metzger,2016-11-15 After more than a century the urgency with which the writing of Fyodor Dostoevsky and Friedrich Nietzsche speaks to us is undiminished Nietzsche explicitly acknowledged Dostoevsky s relevance to his work noting its affinities as well as its points of opposition Both of them are credited with laying much of the foundation for what came to be called existentialist thought The essays in this volume bring a fresh perspective to a relationship that illuminates a great deal of twentieth century intellectual history Among the questions taken up by contributors are the possibility of morality in a godless world the function of philosophy if reason is not the highest expression of our humanity the nature of tragedy when performed for a bourgeois audience and the justification of suffering if it is not divinely sanctioned Above all these essays remind us of the supreme value of the questioning itself that pervades the work of Dostoevsky and Nietzsche The Origins of Autocracy Alexander

The Russian Jewish Diaspora and European Culture, 1917-1937 Jörg Schulte,Olga Tabachnikova,Peter Wagstaff,2012-04-03 This book traces the impact on Jewish culture in Western Europe of the migration of Russian Jews following the 1917 Revolution as they enabled the creation of a single sphere of Jewish culture common to all parts of the European diaspora *Lermontov's Narratives of Heroism* Vladimir Golstein,1998 This is the first study of Russian writer Mikhail Lermontov 1814 41 that attempts to integrate the in depth interpretations of all his major texts including his famous *A Hero of Our Time* the novel that laid the foundation for the Russian psychological novel Lermontov s explorations of the virtues and limitations of heroic self reliant conduct have subsequently become obscured or misread This new book focuses upon the peculiar disturbing and arguably most central feature of Russian culture its suspicion of and hostility toward individual achievement and self assertion The analysis and interpretation of Lermontov s texts enables Golstein to address broader cultural issues by exploring the reasons behind the persistent misreading of Lermontov s major works and by investigating the cultural attitudes that shaped Russia s reaction to the challenges of modernity 1848 John Saville,1990-08-31 A study of the British state s confrontation with Chartism and Irish nationalism in 1848 Elias Bickerman as a Historian of the Jews Albert I. Baumgarten,2010 Albert Baumgarten presents the biography of one of the most distinguished historians of the Jews in antiquity that demonstrates the important connections between his scholarship

life and times The events of the twentieth century provide the context for the analysis of Bickerman's scholarly production

Back cover Contested Russian Tourism Susan Layton, 2021-08-10 This literary cultural history examines imperial Russian tourism's entanglement in the vexed issue of cosmopolitanism understood as receptiveness to the foreign and pitted against provinciality and nationalist anxiety about the allure and the influence of Western Europe The study maps the shift from Enlightenment cosmopolitanism to Byronic cosmopolitanism with special attention to the art pilgrimage abroad For typically middle class Russians daunted by the cultural riches of the West vacationing in the North Caucasus Georgia and the Crimea afforded the compensatory opportunity to play colonizer kings and queens in Asia Drawing on Anna Karenina and other literary classics travel writing journalism and guidebooks the investigation engages with current debates in cosmopolitan studies including the fuzzy paradigm of colonial cosmopolitanism Nineteenth-century Literature Criticism Laurie Lanzen Harris, 1981 Excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations Russia's Dangerous Texts Kathleen F. Parthe, 2008-10-01 Russia's Dangerous Texts examines the ways that writers and their works unnerved and irritated Russia's authoritarian rulers both before and after the Revolution Kathleen F Parth identifies ten historically powerful beliefs about literature and politics in Russia which include a view of the artistic text as national territory and the belief that writers must avoid all contact with the state Parth offers a compelling analysis of the power of Russian literature to shape national identity despite sustained efforts to silence authors deemed subversive No amount of repression could prevent the production distribution and discussion of texts outside official channels Along with tragic stories of lost manuscripts and persecuted writers there is ample evidence of an unbroken thread of political discourse through art The book concludes with a consideration of the impact of two centuries of dangerous texts on post Soviet Russia **Imagining Russian Regions** Susan Smith-Peter, 2017-10-02 In Imagining Russian Regions Subnational Identity and Civil Society in Nineteenth Century Russia Susan Smith Peter shows how ideas of civil society encouraged the growth of subnational identity in Russia before 1861 Adam Smith and G W F Hegel's ideas of civil society influenced Russians and the resulting plans to stimulate the growth of civil society also formed subnational identities It challenges the view of the provinces as empty space held by Nikolai Gogol who rejected the new non noble provincial identity and welcomed a noble only district identity By 1861 these non noble and noble publics would come together to form a multi estate provincial civil society whose promise was not fulfilled due to the decision of the government to keep the peasant estate institutionally separate Catalog of Copyright Entries.
