My Reconstructed Life:

My Reconstructed Life Eugen Schoenfeld, 2005 **My Reconstructed Life** Eugen Schoenfeld, Ph.d., 2015-10-16 This book is a socio autobiography of a young man born in a Jewish town at the foot hills of the Carpathian Mountains in 1925 to a devout Jewish family and his journey through the Holocaust toward academia in the United States This new edition also follows his story into retirement This book is the revelation and personal evolution of a boy born and steeped in orthodoxy who while retaining the essence of the values into which he inducted sought at the same time to re interpret his original values and ideals He takes this orthodox particularism and seeks to reconstruct it to become a universalist view of mankind This book is also a description of his effort to reconstruct his life which had been destroyed by Hitler s effort to make the world Jew free In the camps he lost most of his family upon which the foundation of his early life was built After the war finding himself alone he had to revise his plans for the future and was forced to find his way alone in another world and another way of life He seeks to overcome obstacles and rebuild his life while also finding a niche for himself in a new post Holocaust world Eugen Schoenfeld shares with his readers the hardships he endured both in the camps and after liberation of hunger and loneliness and separation from his father living behind the Iron Curtain He invites his readers to share the various choices he had to make to understand the reasons for his decisions in the process of re constructing his life He explores the paths he had to follow in order to achieve his goal of understanding finding the answers to the question he asked his father on the first day in Aushwitz Birkenau How is possible that now in the midst of the twentieth century after all the great achievements in philosophy psychology and theology man is still inhumane This book is his search for a way through which human beings can reconstruct themselves can cease living merely as human beings and evolving into humane beings
