My Religion graf Leo Tolstoy,1885 **Bulletin of the Mercantile Library of Philadelphia** Mercantile Library of Philadelphia,1889 Finding List of the Providence Public Library Providence Public Library (R.I.),1887 Bulletin Salem Public Library,1899 **Bulletin of the Salem Public Library** Salem Public Library,1907 MOTIVATIONAL THOUGHTS OF SRI RAMAKRISHNA Mahendra Nath Gupta,2024-02-14 Since ancient times sages have prayed Tamaso Ma Jyotirgamaya Lead us from darkness to light So are we in darkness No in the long struggle of life entangled in materialism involved in the desire to achieve everything we forget our true nature and the purpose of life and invite sorrows When we look into the inner space for peace we experience darkness restlessness and vast emptiness Because the happiness resources and relationships that we had cherished around us start breaking and getting lost Then there is a need of a ray of light a sweet voice of love which is not perishable which is limitless and which gives supreme bliss We get the ray of the same light in Sri Sri Ramakrishna Kathamrita A garland of some enlightening words flowers has been made from Sri Ramakrishna flower garden whose fragrance and beauty are beneficial Come let us offer this garland to the awakened Shiva in this God given life and take life on the journey of light by realizing Satyam Shivam Sundaram through the words of Lord Sri Ramakrishna in the life s sacrifice this is the purpose of the motivational thoughts of Sri Ramakrishna War & Peace graf Leo Tolstoy,1921

Biennial Report of the Trustees of the State Library ,1882 Appendix to the Journals of the Senate and Assembly ... of the Legislature of the State of California ... ,1891 **Appendix to the Journals of the Senate and Assembly ... of the Legislature of the State of California ...** California,1891 *Citizen* Louise W. Knight,2008-09-15 Jane Addams was the first American woman to receive the Nobel Peace Prize Now Citizen Louise W Knight s masterful biography reveals Addams s early development as a political activist and social philosopher In this book we observe a powerful mind grappling with the radical ideas of her age most notably the ever changing meanings of democracy Citizen covers the first half of Addams s life from 1860 to 1899 Knight recounts how Addams a child of a wealthy family in rural northern Illinois longed for a life of larger purpose She broadened her horizons through education reading and travel and after receiving an inheritance upon her father s death moved to Chicago in 1889 to co found Hull House the city s first settlement house Citizen shows vividly what the settlement house actually was a neighborhood center for education and social gatherings and describes how Addams learned of the abject working conditions in American factories the unchecked power wielded by employers the impact of corrupt local politics on city services and the intolerable limits placed on women by their lack of voting rights

These experiences Knight makes clear transformed Addams Always a believer in democracy as an abstraction Addams came to understand that this national ideal was also a life philosophy and a mandate for civic activism by all As her story unfolds Knight astutely captures the enigmatic Addams s compassionate personality as well as her flawed human side Written in a strong narrative voice Citizen is an insightful portrait of the formative years of a great American leader Knight s decision to focus on Addams s early years is a stroke of genius We know a great deal about Jane Addams the public figure We know relatively little about how she made the transition from the 19th century to the 20th In Knight s book Jane Addams comes to life Citizen is written neither to make money nor to gain academic tenure it is a gift meant to enlighten and improve Jane Addams would have understood Alan Wolfe New York Times Book Review My only complaint about the book is that there wasn t more of it Knight honors Addams as an American original Kathleen Dalton Chicago Tribune ["Master and Man"](#) graf Leo Tolstoy,1911 **Liberty and the Great Libertarians** Charles T. Sprading,2015-04-15 In 1913 Charles T Sprading 1871 1959 wrote a book of remarkable prescience that anticipated the systematic development of an American libertarian tradition He called it Liberty and the Great Libertarians What he provided was a biography and intellectual analysis of some thirty great thinkers Most valuable is his extraordinary job of editing He chooses the best and most enlightening of their writings and brings them to life The thinkers covered include Edmund Burke Thomas Paine Thomas Jefferson William Godwin Wilhelm von Humboldt John Stuart Mill Ralph Waldo Emerson William Lloyd Garrison Wendell Phillips Josiah Warren Max Stirner Henry D Thoreau Herbert Spencer Lysander Spooner Henry George Benjamin Tucker Pierre Kropotkin Abraham Lincoln Auberon Herbert G Bernard Shaw Oscar Wilde Maria Montessori and others Now not all of these people would be considered libertarians by the modern understanding Some even called themselves socialists as absurd as that may sound to us today But they all exhibited in their writings a deep and abiding attachment to the idea of human liberty They agree in the primacy of the individual They agreed that the greatest threat to individual rights is the state And they believed in fighting for these rights They believed in the freedom of assembly freedom of press freedom of religion freedom to think and act They hated war and social control They rejected every form of authoritarianism and in all these areas they made huge contributions As Sprading says in his introduction The greatest violator of the principle of equal liberty is the State Its functions are to control to rule to dictate to regulate and in exercising these functions it interferes with and injures individuals who have done no wrong The objection to government is not that it controls those who invade the liberty of others but that it controls the non invader It may be necessary to govern one who will not govern himself but that in no wise justifies governing one who is capable of and willing to govern himself To argue that because some need restraint all must be restrained is neither consistent nor logical Governments cannot accept liberty as their fundamental basis for justice because governments rest upon authority and not upon liberty To accept liberty as the fundamental basis is to discard authority that is to discard government itself as this would mean the dethronement of the leaders of government we can expect only those

who have no economic compromises to make to accept equal liberty as the basis of justice The introduction alone is extraordinary given the times On war he writes How is war to be abolished By going to war Is bloodshed to be stopped by the shedding of blood No the way to stop war is to stop going to war stop supporting it and it will fall just as slavery did just as the Inquisition did The end of war is in sight there will be no more world wars The laboring man who has always done the fighting is losing his patriotism he is beginning to realize that he has no country or much of anything else to fight for and is beginning to decline the honor of being killed for the glory and profits of the few Those who profit by war those who own the country will not fight for it that is they are not patriotic if it is necessary for them to do the killing or to be killed in war In all the wars of history there are very few instances of the rich meeting their death on the battlefield This is a fat book 542 pages with a vast index It remains the best chronicle of libertarian thought ever put together which is why Murray Rothbard chose this book as one of his favorites This edition is a reprint of the original 1913 volume **The Russian Novel**
