his own emotional landscape and along the way the different masks that he discovers he wears Cycling is a good way to travel anywhere but especially in Africa You are independent and mobile and yet travel at people speed fast enough to travel on to another town in the cooler morning hours but slow enough to meet people the old farmer at the roadside who raises his hand and says You are welcome the tireless women who offer a smile to a passing cyclist the children whose laughter transcends the humblest home

The new European motorcycle test Great Britain: Parliament: House of Commons: Transport Committee,2010-03-23 In April 2009 a new testing regime based on the Second EU Driving Licence Directive was introduced Deadlines for implementation had not been met and when the new test was finally introduced it was met with intense criticism and safety concerns The number of tests taken dropped dramatically in the first few months and the industry suggested that the new test regime would threaten many small businesses and jobs The Committee was concerned to not only establish whether the test had gone wrong and how problems could be rectified but also to ensure lessons are learned before the implementation of the Third EU Driving Licence Directive They concluded that they could not see why the Government failed to obtain derogation from certain speed requirements and that though many elements of the new regime were appropriate it was important to take into account the concerns expressed and consider what adjustments might be required They also believe that training and instruction for the motorcycle test needs to develop and change to reflect the new test requirements The off road module of the test also needs to be amended to allow candidates to adapt their riding to reflect prevailing weather road and other circumstances The development of better awareness of motorcyclists among other road users is also crucial and should not be neglected Though the Government exceeded what was necessary to comply with the EU directive the Committee believes they were right to do so It is the development of Multi Purpose Test Sites for which justification was weak and implementation inept which represents the least effective element

Jockey Scott A. Gruender, 2006-12-20 Being a jockey is more than a career it s a way of life

The glitz and glamour of the show may belie all the time and effort that goes into it but the life of a jockey entails a great deal of risk personal sacrifice and hardship Often viewed as second rate athletes partly because of their small size these riders are in actuality some of the toughest men in the athletic world Pound for pound they are unmatched in physical prowess Controlling and guiding large thoroughbreds requires a great deal of strength and skill In addition there is little room for error during the close run high speed races where the necessity of implementing a winning strategy makes the sport mentally as well as physically taxing This volume provides an in depth look at the self employed independent contractor known as the jockey and the all encompassing culture of the race track he calls home The book details the qualities and abilities of the successful jockey the transitory nature of horse racing the jockey s constant battle regarding weight the financial motivation of the sport and the close knit nature of the profession Interviews with over 100 jockeys including Hall of Famers Pat Day Earlie Fires and Russell Baze add a personal focus and give the reader an inside glimpse into the world of horse racing The last chapter includes brief biographical sketches of the most influential riders from the last 50 years
