

The book cover features a serene landscape illustration. In the foreground, dark silhouettes of reeds and grasses are visible. A long, dark bridge or pier extends across the middle ground over a calm body of water. The background shows a soft sunset or sunrise with warm orange and yellow light reflecting on the water, transitioning into a blue sky with wispy clouds. The title 'My River Speaks' is written in a large, elegant, white script font across the upper portion of the cover.

My River Speaks:

My River Speaks Marianne Taylor, Energy Recovery Corp, 1998-01-01 **The River Speaks**, 2025-06-09 In her voice Yamuna the river shares her timeless journey a tale of life resilience and silent suffering Flowing through ancient myths and modern struggles she pleads with us to see her scars and hear her cries Use my waters she urges but with care for my survival is intertwined with yours If we pay attention to her call and change our demands Yamuna will heal herself But if we remain blind to her plight a grave danger looms over all who depend on her This is more than a river's story it's a wake up call to save her before it's too late , *Year Book* United States Engineers. 3d Volunteer (War with Spain), 1938

Doing Performative Social Science Kip Jones, 2022-06-30 *Doing Performative Social Science* Creativity in Doing Research and Reaching Communities focuses as the title suggests on the actual act of doing research and creating research outputs through a number of creative and arts led approaches Performative Social Science PSS embraces the use of tools from the arts e.g. photography dance drama filmmaking poetry fiction etc by expanding even replacing more traditional methods of research and diffusion of academic efforts Ideally it can include forming collaborations with artists themselves and creating a professional research learning and or dissemination experience These efforts then include the wider community that has a meaningful investment in their projects and their outputs and outcomes In this insightful volume Kip Jones brings together a wide range of examples of how contributing authors from diverse disciplines have used the arts led principles of PSS and its philosophy based in relational aesthetics in real world projects The chapters outline the methods and theory bases underlying creative approaches show the aesthetic and relational constructs of research through these approaches and show the real and meaningful community engagement that can result from projects such as these This book will be of interest to all scholars of qualitative and arts led research in the social sciences communication and performance studies as well as artist scholars and those engaging in community based research *Earth Spirit Dreaming* Elizabeth E. Meacham, 2020-02-04 A guide to co creating a healing vision for humanity and the Earth through nature connected shamanic rituals Explains the Earth Spirit Dreaming process for rebirthing inherent shamanic abilities with dozens of practices in three categories Earth connecting practices Spirit connecting practices and Dream connecting practices Provides experiential exercises to foster interactions with the intelligences and elemental energies of nature and the Spirit realm realign you with the rhythms and flow of life and co create a healing dream for humanity and all of life on our planet Contains step by step directions for connecting with the light guides of the planet for guidance and healing Humanity has become profoundly disconnected from the web of life on Earth as well as from nature as a whole In this practical guide Elizabeth E Meacham details her field tested method of shamanic ecotherapy practices to resolve this centuries long trend toward disconnection Through these practices you will learn how to reconnect to Earth's systems and help restore health and balance to people and the planet Translating transformative ideas from visionary environmental thinkers into engaging shamanic rituals for profound spiritual growth

Meacham offers dozens of practices in three categories Earth connecting practices Spirit connecting practices and Dream connecting practices Building on one another the exercises open channels to allow you to directly experience the intelligences of the Earth and Spirit realms rebirth your inherent shamanic abilities realign you with the rhythms and flow of life and reclaim your ancestral power for co creating a healing dream for our species and all of life on our planetary home Guiding the reader through a progressively deepening journey toward connection with ourselves each other and the consciousness of our biosphere the practices also invite profound mindfulness as we work to hold a vision of connection with the Earth and Spirit realms while choosing consciously to focus on joy beauty gratitude love and healing Illuminating a shamanic awakening within Western culture at the dawn of an ecological age Earth Spirit Dreaming reveals how the birth of a global consciousness of healing depends upon our commitment to individual and collective spiritual evolution Calling us back to our shamanic heritage of a living nature spirituality this manual offers much needed guidance on the essential journey back to an intimate love of Earth

The Flower Princess Bell Yung,2010-09-03 The Flower Princess Dae Neui Fa or Dinuhua in Mandarin has become the most renowned Cantonese Opera since its 1957 premier in Hong Kong The opera is a serious political drama played out between the Han and nonHan following the fall of the Ming dynasty and the plot pits romantic love against the lofty Confucian ideals of social hierarchy and moral rectitude This is the first complete English translation of the opera featuring text song titles speech types and choreographic and stage setting It also contains a foreword by Pak Suet Sin Bai Xuexian the celebrated Cantonese Opera actress who created the role of the Princess in the original production

Yearnings Armando J. Calonje M.,2019-08-13 This collection of short stories takes you to many exciting places the author has lived in and traveled it exposes you to the struggles and losses of individuals that have escaped from authoritarian regimes such as Cuba and the Soviet Union to find freedom in the United States of America It reaches from betrayal and narcissism and the damage done to others to the charming innocence of a child asking to be told a story and the reminiscing of an old man who tells his Japanese friend how progress distorted his life s memories There are unexpected twists to many of these stories not to forget a subtle sense of humor that both intrigue and touch the heart
